If the sum be Guineas, not Pounds, for each Guinea add a penny to each month, or a farthing to each week.

Showing, by the Dominical Letter, the Day of the Month and Week in
any Year of the Nineteenth Century.

EXPLANATION.—In the Left-hand Table are the years of the Century, and above each is the Dominical Letter corresponding with that Year. Then, opposite to the Month, at the foot of the Right-hand Table, will be found a corresponding Letter, over which are placed the Days of the Month and Week for that Month (distinguishing the Sundays by a different type). Each Blank Space in the Left-hand Table shows the Year following to be Leap Year; and as every Leap Year has two Dominical Letters, the Letter above the *Blank Space* must be used for January and February in every Leap Year; and for the other months, use the Letters belonging to the respective Years.

By transposing the Dominical Letters, this Calendar would answer for any Century.

For a letter not exceeding 1 oz.,	1d.
" exceeding 1 oz. but not exceed- ing 2 oz.,	1½d.
" exceeding 2 oz. but not exceed- ing 4 oz.,	2d.
" exceeding 4 oz. but not exceed- ing 6 oz.,	2½d.

" exceeding 8 oz. but not exceed- ing 10 oz.,	3½d.
" exceeding 10 oz. but not exceed- ing 12 oz.,	4d.

A letter exceeding the weight of 12 oz. is liable to a postage of 1d. for every ounce, beginning with the first ounce. A letter, for example, weighing between 14 and 15 ounces must be prepaid fifteen pence.

2. A letter posted unpaid is chargeable on delivery

with double postage; and a letter posted insufficiently prepaid is chargeable with double the deficiency. On re-directed letters the charge for re-direction is the same, whether prepaid or collected on delivery.

3. No letter may exceed the dimensions of one foot six inches in length, nine inches in width, and six inches in depth.

COLONIAL AND FOREIGN LETTERS.

The rates of postage on letters to foreign countries and the colonies are entered in the Table of Foreign and Colonial Postage.

ADDRESSES TO THE QUEEN, AND PETITIONS TO PARLIAMENT.

Petitions and addresses to Her Majesty, forwarded direct, are exempt from postage; and such petitions and addresses, as also petitions to either House of Parliament, if sent to a member of either House, are likewise exempt, provided they do not weigh more than two pounds, and are without covers, or in covers open at the sides. No letter or other enclosure, however, must be inserted; and if one

be found, such enclosure, unless it bear the proper number of postage stamps, is charged as an unpaid letter.

NEWSPAPERS.

Inland.

By the Post Office Act, 1870, the use of the Inland Revenue impressed stamp denoting the stamp duty, under which newspapers and other periodicals had been previously transmissible by post within the United Kingdom, was abolished, and a postage of one halfpenny was fixed for each transmission of any newspaper coming within the definition laid down in the Act.

Inland newspapers are subject to the following regulations:—

1. To have the privilege of passing as a newspaper, the publication must first have been accepted as a newspaper by the Postmaster-General, and have been placed on a Register at the General Post Office; from which it is liable to be removed, either through the non-renewal of the registration year by year, or in consequence of any change which may deprive it of the characteristics of a newspaper.

Registration for inland circulation includes registration for transmission abroad.

2. It must be printed and published in the United Kingdom, must be published in numbers at intervals of not more than seven days, and must be printed on a sheet or sheets unstitched.
3. The full title and date of publication must be printed at the top of the first page, and the whole or part of the title and the date of publication at the top of every subsequent page; and this regulation applies to 'Tables of Contents' and 'Indices.'
4. A supplement must be unstitched, must in every case be published with the newspaper, and must have the title and date of publication of the newspaper printed at the top of every page; or, if it consist of engravings, prints, or lithographs, at the top of every sheet or side.
5. For each newspaper, whether posted singly or in a packet, the postage, when prepaid, is one halfpenny; but a packet containing two or more registered newspapers is not chargeable with a higher rate of postage than would be chargeable on a book packet of the same weight—viz. one halfpenny for every 2 oz. or fraction of 2 oz.
6. A newspaper posted unpaid, and a packet of newspapers posted either unpaid or insufficiently paid, will be treated as an unpaid or insufficiently paid book packet of the same weight.
7. The postage must be prepaid either by an adhesive stamp or by the use of a stamped wrapper.
8. No newspaper can be sent through the post a second time for the original postage; for each transmission a fresh postage must be prepaid, except that in the case of re-direction the amount chargeable may be collected on delivery.
9. Every newspaper or packet of newspapers must be posted either without a cover or in a cover entirely open at both ends, and in such a manner as to admit of easy removal for examination. If this rule be infringed, the newspaper or packet will be treated as a letter.

10. Every newspaper must be so folded as to admit of the title being readily inspected.
11. A newspaper, whether posted singly or in a packet, which contains any enclosure except the supplement or supplements belonging to it. If it contain any other, such enclosure or enclosures will be taken out and charged on delivery as an unpaid letter.
12. A newspaper which has any letter, or any communication of the nature of a letter, written in it or upon its cover, will be charged as an unpaid or insufficiently paid letter.
13. No packet of newspapers must exceed 14 lbs. in weight, nor may it exceed 2 feet in length or 1 foot in width or depth.

Colonial and Foreign.

Under the powers given to the Postmaster-General by the Post Office Act, 1870, the regulations relating to the registration of publications for transmission abroad as newspapers have been revised. The definition laid down in the Act, in regard to newspapers which may be registered for transmission through the post in the United Kingdom, is alike applicable to those which may be registered for transmission abroad, excepting that for foreign transmission a newspaper may be published at intervals of thirty-one days, and that it (but not its supplement) may be printed on sheets stitched together.

Newspapers going abroad are also subject to the following regulations:—

1. 'Prices Current' and 'Market Reports,' but not private price-lists or trade catalogues, are admitted to the same privileges as newspapers for foreign transmission.
2. Publications registered for transmission abroad must be posted *within eight days* from the date of publication, including the day of publication.
3. The collected numbers issued during the month of a weekly, fortnightly, tri-monthly, etc., publication will not be allowed to pass as a monthly publication.
4. *The postage must be prepaid with postage labels.* The rates are shown in the table of Colonial and Foreign Postage.
5. Publications not on the Register at the General Post Office cannot be sent abroad at any rates lower than those applicable to book packets.
6. Every newspaper or packet of newspapers must be posted either without a cover or in a cover entirely open at both ends, and in such a manner as to admit of easy removal for examination.
7. Every newspaper must be so folded as to admit of the title being readily inspected.
8. No newspaper, whether posted singly or in a packet, may contain any enclosure except the supplement or supplements belonging to it.
9. There must be no writing or other mark on a newspaper sent abroad but the name and address of the person to whom it is sent; nor anything on the cover but such name and address, the printed title of the publication, the printed name and address of the publisher or vendor who sends it, and words indicating the date on which the subscription to the newspaper will end.
10. No packet of newspapers must exceed 2 feet in length or 1 foot in width or depth.
11. It is forbidden to introduce into Russia, through the post, political newspapers, in covers open at the ends or sides; and the

only means by which persons residing in Russia can obtain newspapers from the United Kingdom is by subscribing for them at one of the Russian Post Offices. This prohibition does not, however, extend to political newspapers, or any other publication, addressed to members of the Royal Family of Russia, the Imperial Ministers, or members of the Diplomatic Corps. The admission into Russia even of newspapers not of a political character, is permitted only when they are addressed to the house of some established bookseller, to the higher schools, to the Imperial Public Library, or to the Academy of Sciences in Russia. Printed prices current, however, as well as printed circulars, in covers open at the ends or sides, are allowed to be addressed to any persons residing in Russia.

PARLIAMENTARY PROCEEDINGS.

Printed proceedings of the Imperial Parliament, sent without covers, or in covers open at the ends, may circulate within the United Kingdom at the rate of $\frac{1}{4}$ d. for every two ounces or fraction of that weight.

The words **PARLIAMENTARY PROCEEDINGS** must be written or printed on the cover of the packet; otherwise it is treated as an ordinary book packet.

Prepayment, when the circulation is within the United Kingdom, is optional; and if it be made in part, the simple difference only is charged.

Parliamentary proceedings may be sent, under the book post privilege, to all the colonies, and to those foreign states between which and this country there is a book post.

BOOK POST.

Inland.

A book packet may contain not only books, paper, or other substance in ordinary use for writing or printing, whether plain or written or printed upon (to the exclusion of any written letter or communication of the nature of a letter), photographs, when not on glass or in frames containing glass or any like substance, and anything usually appertaining to such articles in the way of binding and mounting, or necessary for their safe transmission by post, but also *circulars*, i.e. letters which appear from internal evidence to be intended for transmission in identical terms to several persons, when these are wholly or in great part printed, engraved, or lithographed.

1. The postage is one halfpenny for every two ounces or fraction of that weight.

2. The postage must be prepaid either by adhesive stamps or by means of a stamped wrapper, or by a combination of the two; except at the General Post Office, Edinburgh, where, from 10 A.M. to 4 P.M. it may be prepaid in money, provided the postage amount to not less than £1 in any one case, and provided the packets are posted in bundles each representing a postage of 5s.

3. A packet posted wholly unpaid will be charged with double the book postage; and if posted partially prepaid, with double the deficiency.

4. Every book packet must be posted either without a cover or in a cover entirely open at both ends, and in such a manner as to admit of the contents being easily withdrawn for examination; otherwise it will be treated as a letter.

5. A book packet may not contain any letter, or communication of the nature of a letter (whether separate or otherwise), not being a circular letter or not wholly printed, nor any enclosure sealed or in any way closed

against inspection, nor any other enclosure not allowed. (Entries, however, merely stating who sends the book, etc., or to whom it is given, are not regarded as a letter.) If this rule be infringed, the entire packet will be charged as a letter.

6. No book packet may exceed 5 lbs. in weight, or one foot six inches in length, nine inches in width, and six inches in depth.

COLONIAL AND FOREIGN PATTERN AND SAMPLE POST.

There is a Pattern and Sample Post to such colonies and foreign countries as are marked in the Table of Colonial and Foreign postage with the letter 'P;' but it is restricted to *bonâ fide trade patterns or samples of merchandise*. Goods sent for sale, or in execution of an order (however small the quantity may be), or any articles sent by one private individual to another which are not actually patterns or samples, are not admissible.

1. The postage must be prepaid either by adhesive stamps or by means of a stamped wrapper, or by a combination of both.

2. Patterns or Samples, when practicable, must be sent in covers open at the ends, and in such a manner as to be easy of examination. But samples of seeds, drugs, and such like articles, which cannot be sent in covers of this kind,—but such articles only,—may be posted enclosed in boxes or in bags of linen, or other material, fastened in such a manner that they may be readily opened; or, in the case of samples of seeds, etc., for the United States of America, Holland and its possessions, Belgium, Denmark, Greece, Portugal and its possessions, and Switzerland, in bags entirely closed, provided such closed bags are transparent, so as to enable the Officers of the Post Office readily to satisfy themselves as to the nature of the contents.

3. There must be no writing or printing upon or in any packet except the address of the person for whom it is intended, the address of the sender, a trade mark or number, and the price of the articles.

4. The limit of weight is not the same to all countries. For particulars, see page 557.

5. A packet of patterns or samples sent to Portugal, Madeira, the Azores, Cape de Verdes, France, or to Turkey, Syria, or Egypt, by French packet, must not exceed 18 inches in length, width, or depth; a packet to any other place abroad must not exceed 24 inches in length or 12 inches in breadth or depth.

6. Samples of intrinsic value must not be sent to foreign countries except the United States; and in the case of France, samples of eider down, raw or thread silk, woollen or goats' hair thread, vanilla, saffron, carmine, or isinglass, are considered to fall under this rule, if they weigh more than three ounces. Raw and spun silk, as well as coloured and twisted silk, may be sent to the North German Confederation up to the weight of three ounces.

7. Such articles as scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, provided that they be packed and guarded in so secure a manner as to afford complete protection to the contents of the mail bags and the officers of the Post Office.

POST CARDS.

Post Cards, which bear a halfpenny impressed stamp, are available for transmission between places in the United Kingdom only.

1. The front (or stamped) side is intended for the address only. There must be nothing else written, printed, or otherwise impressed on it, nor must there be any writing or printing across the stamp. On the reverse side any communication, whether of the nature of a letter or otherwise, may be written or printed; but such communication must not extend to the front side. Nothing whatever may be attached; nor may the card be folded, cut, or otherwise altered. If any of these rules be infringed, the card will be charged 1d. on delivery.
2. No card other than one of those issued by the Government will pass under a halfpenny stamp, if it bear on it a written communication of the nature of a letter.

GENERAL REGULATIONS.

When, owing to a great and unusual influx of letters, books, etc., the transmission or delivery of the letters would be delayed if the whole mail were dealt with without distinction, book packets and Post Cards may be kept back until the next despatch or delivery.

It is forbidden to forward by post any indecent or obscene print, painting, photograph, lithograph, engraving, book or card, or any other indecent or obscene article, or any letter, newspaper, publication, packet, or card having thereon any words, marks, or designs of an indecent, obscene, libellous, or grossly offensive character. Anything posted contrary to this prohibition will be stopped and sent up to the Returned Letter Office.

Postmasters are instructed not to receive any letter which there is good reason to believe contains anything likely to injure the contents of the mail bag or the person of any officer of the Post Office. If such a packet be posted without the Postmaster's knowledge, or if at any time before its despatch he should discover any such packet, he is directed not to forward it, but to report the case, with the address of the packet, to the Secretary. The following are examples of the articles referred to:

A glass bottle, or glass in any form; razors, scissors, needles, knives, forks, or other sharp instruments; leeches, game, fish, meat, fruit, or vegetables; bladders or other vessels containing liquids; gunpowder, lucifer matches, or anything which is explosive or liable to sudden combustion.

REGISTRATION OF LETTERS.

By the prepayment of a fee of 4d., any letter, newspaper, book, or other packet on which the postage has been prepaid in stamps, may be registered to any place in the United Kingdom or the British Colonies. To other foreign countries, the fee chargeable for registering a letter, in addition to the ordinary postage, *both of which must be prepaid, or the letter cannot be registered*, will be found against each country or place in the table of Colonial and Foreign Postage. Letters, newspapers, books, and patterns may be registered to any place in the British Colonies, the United States of America, Switzerland *via* Belgium, Italy, or the German States, also (when sent in closed mails) to the British Post Offices in Egypt and Constantinople; but to other foreign countries only letters, and packets prepaid at the letter rates, can be re-

gistered. To some countries, as shown in the table of Colonial and Foreign Postage, there is no arrangement whatever for registration.

Where the prefix 'in' is made use of in the column of fees in the table of Colonial and Foreign Postage, the letter can be registered only to the port of arrival, it being left in those cases to the postal authorities of the country to which that port belongs to continue the registration if they think proper. Where the word 'none' appears, no registration can be effected.

France and Countries through France.—The registration fee upon letters addressed to France, or countries through France (exclusive of those sent in the closed mails to India, Hong Kong, Ceylon, Mauritius, Australia, Gibraltar *via* France, Malta, Constantinople, Greece, Portugal, Spain, or Italy, is not a fixed sum, but is in all cases equal to the postage.

The registration of a packet makes its transmission much more secure; and the loss of a registered packet is a very rare occurrence. Nevertheless, by Act of Parliament, the Post Office is not responsible for the safe delivery of registered packets, though any officer who may neglect his duty on this point will be called to strict account. Sent in *unregistered* letters, valuable articles are exposed to risk; and the department cannot in any way undertake the safe conveyance of such packets. All inland or colonial letters, therefore, which unquestionably contain coin, even though they be posted without registration, are treated as registered, and charged on delivery with a double registration fee of 8d. in addition to the ordinary postage; and any such letters which cannot be registered in time to be forwarded by the mail for which they are posted, are detained for the next despatch.

Every letter to be registered should be presented at the window, and a receipt obtained for it, and should on no account be dropped into the letter-box. If, contrary to this rule, a letter marked 'Registered' be dropped into the letter-box, it will, *if directed to any place in the United Kingdom or British Colonies*, be liable to a registration fee of 8d., instead of the ordinary fee of 4d. A registered letter, if re-posted as an ordinary letter, with the word '*Registered*' unerased or erased in pencil only, will also be liable to a registration fee of 8d.

Registered letters must be prepaid as regards both postage and registration fee; and if the letter be inland, such prepayment must be by stamps.

No letter-carrier, rural messenger, or other servant of the Post Office, is allowed to carry a letter for any person to be registered.

Parliamentary notices may be forwarded through the post under the following regulations:—

1. The words 'Parliamentary Notice' must be legibly printed on the face of the letter; and in order to secure the speedy return of any notices which may be undelivered, the name and address of the solicitor issuing such parliamentary notice should also be legibly printed or written on the face of the letter; though this is not imperative.
2. These notices must be posted at the General Post Office in Edinburgh.
3. All notices which, by the standing orders of either House of Parliament, are required to be served on or before the 15th December, must be posted not later than the 12th December, unless the 12th fall on a Sunday, when they must be posted not later than the 11th; but those notices which, by the same orders, may be served after the 15th, may be posted after the 12th of that month.

4. The postage chargeable on these notices, and the registration fee of 6d. on each, must be prepaid by stamps.
5. The notices must be posted at the Post Office window, accompanied with duplicate lists of the addresses; the notices being arranged, for the convenience of comparison, in the order of the list. These lists will be examined by the officer in attendance at the window; and if they correspond with the addresses, he will sign and stamp every sheet of each list. One of the duplicate lists will then be returned to the person who brought the letters, and the other forwarded to the Secretary, General Post Office, London.

The hours for receiving such notices are the same as those for the registry of ordinary letters, unless they be presented at such a time as to interfere with the other duties of the office; in which case the postmaster may appoint any other time within the next twenty-four hours for receiving the same, provided that, when the notices are to be served on or before the 15th December, such arrangement do not delay the posting beyond the 12th. Re-directed parliamentary notices are, like letters, liable to an additional rate of postage.

The senders of parliamentary notices should, if possible, arrange on the previous day with the postmaster as to the most convenient time for posting them, and state the probable number.

LETTERS 'TO BE CALLED FOR.'

The Poste Restante being intended solely for the accommodation of strangers and travellers who have no permanent abode in Edinburgh, letters for residents in Edinburgh must not be addressed nor redirected from a private address 'Post Office till called for.' Letters addressed to 'Initials,' 'Numbers,' or 'Fictitious Names,' cannot be received at the Poste Restante; if so addressed, they are returned to the writers.

No information can be given respecting letters which pass through a post office except to the persons to whom they are addressed; and in no other way is official information of a private character allowed to be made public.

PRIVATE BOXES AND BAGS.

Any person can have a private box who is willing to pay the appointed fee. Where this fee goes to the revenue, it is generally fixed at one guinea per annum, to be paid in advance, and for a period of not less than a year; and where it goes to the postmaster, he may demand the same terms, though he may, at his option, take less. The same also, in most cases, are the terms for a private bag, except that, in addition, there is the cost of the bag itself, and a charge for conveyance, the maximum of the latter being half a guinea per annum if the bag be conveyed by a rural messenger, and two guineas if by a contractor for a mail cart or other horse post. If more than one rural messenger or more than one contractor take part in the conveyance of a private letter bag, each is allowed to charge the full amount of the fee for his service. The weight of a private bag, when empty, is limited to one pound. As the service of a private bag may possibly delay the despatch of the general bag, none are allowed without the permission of the surveyor. If a private letter bag made up at one post office be left at another to be called for or to be delivered from thence, the postmaster at such other office may make a charge for his trouble: this charge is usually 5s. per annum. Any person residing within the limits of a town free delivery, and renting a private letter bag, is considered to have the accom-

modation of a private box at the post office as well as a bag, and is liable to the full charge for both bag and box.

POSTAGE STAMPS AND ENVELOPES.

Postage labels are of the respective values of $\frac{1}{2}$ d., 1d., $1\frac{1}{2}$ d., 2d., 3d., 4d., 6d., 9d., 10d., 1s., 2s., and 5s. The embossed envelopes are of four sizes, and are sold thus: one for $1\frac{1}{2}$ d., two for $2\frac{1}{2}$ d., four for $4\frac{1}{2}$ d., six for $6\frac{1}{2}$ d., eight for $8\frac{1}{2}$ d., and 1s. 1d. per dozen.

Every rural messenger is authorized to sell postage stamps (including stamped envelopes) at the same prices at which postmasters are empowered to sell them; and when any person applies to him for postage labels, the messenger must either supply them, or (if he has none in his possession) must, without extra charge, receive the postage in money, and on his arrival at the Post Office, obtain labels for it, and affix them carefully to the letters.

MONEY ORDERS.

The public are recommended, when applying for Money Orders, to use printed 'Application Forms,' which save time, and afford greater security than verbal messages against mistakes. These forms are supplied gratuitously at all Money Order Offices.

The scale of charges on the issue of Inland Money Orders is as follows:—

For sums under 10s.	1d.
" of 10s. and under £1	2d.
" " £1 " "	3d.
" " 2 " "	4d.
" " 3 " "	5d.
" " 4 " "	6d.
" " 5 " "	7d.
" " 6 " "	8d.
" " 7 " "	9d.
" " 8 " "	10d.
" " 9 " "	11d.
" " 10 " "	1s.

This scale does not apply to Orders issued on the Colonies and places abroad, the charges on which remain unaltered.

No single Money Order can be issued for more than £10; * neither can an order contain a fractional part of a penny.

With the subjoined exceptions, no Money Order can be issued, unless the applicant furnish, in full, the surname, and at least the initial of one Christian name, both of the remitter and the payee, together with the remitter's address:—

1. If the remitter or payee be a peer or a bishop, his ordinary title is sufficient; and the usual designation of a firm is sufficient, except in the case of a company trading under a title which does not consist of the names of the persons composing it, as the 'Carron Company.'

2. When the remitter notifies that the order is to be paid through a bank, it is left to his option to give or withhold the name of the payee.

When application is made for a Money Order payable in London, or at any other town where there is more than one Money Order Office, the remitter should say at which of such offices he wishes it to be paid: otherwise the order can be cashed at the Head Office alone. It is not incumbent on a postmaster to supply such information relative to local or provincial offices.

* The only exception to this rule in Scotland is when the order is issued in payment of Government taxes, and in favour of the Receiver-General of Inland Revenue. In such a case, the order is not limited as to amount.

An order once issued cannot be cancelled; and should repayment or transfer to a different office, or alteration of name, be required, the remitter must apply according to the directions printed on the back of the order.

In order to enable the remitter to obtain an acknowledgment of the receipt of a Money Order before the money is paid, it is arranged that he may make his order payable ten days after date, provided that, in the presence of the postmaster, when he obtains the order, he affixes thereto, in the space after the request C., a penny receipt stamp, and write his signature across the stamp.

When an order is presented for payment (otherwise than through a bank), the postmaster has first to see that the signature of the payee be as full as the name given in the advice, and be not in any way inconsistent therewith. He has then to call on the applicant to give the name of the remitter; and if the reply be correct, the order will be paid, unless the postmaster have good reason for believing that the applicant is neither the rightful claimant, nor deputed by him. When an order is paid through a bank, it is sufficient that it be receipted (without regard to any discrepancy between the signature and the name in the advice, or to whether the receipt is given by the payee himself, or by another person), and that it be presented (crossed with the name of the receiving bank) by some person known to be in the employment of the bank.

The holder of a Money Order is always at liberty to direct, by crossing it, that the order be paid through a bank, even though its payment was not originally so restricted; and when the order is thus crossed, the question put on the presentation of an ordinary Money Order is dispensed with.

Money Orders do not require a receipt stamp.

Payment of an order, issued and payable in the United Kingdom, must be obtained before the end of the second calendar month after that in which it was issued (for instance, if issued in January, it must be paid before the end of March); otherwise the order becomes lapsed, and a new order is necessary, for which a second commission is charged. The period for payment of orders issued in the United Kingdom, and payable in any colony authorized to transact Money Order business, including Gibraltar and Malta, is six months; and orders granted at those places on the United Kingdom are also payable during six months after that in which they were issued. A person presenting a lapsed order is furnished with a copy of a printed notice, headed 'Lapsed Money Orders,' containing directions how to proceed. If the order be not paid before the end of the twelfth calendar month after that in which it was issued (for instance, if issued in January, and not paid before the end of next January), all claim to the money is lost.

No application can be entertained for compensation for alleged injury from the non-payment of a Money Order at the expected time.

After once paying a Money Order, by whomsoever presented, the office is not liable to any further claim.

To guard against any person, even if he obtain possession of a Money Order, fraudulently getting it cashed, the remitter is recommended—

1. When he is well known to the payee, to sign the letter enclosing the order with his initials only.
2. When this is not the case, either to make the order payable ten days after date, or to register the letter enclosing it, or to make the order payable through a bank.
3. When it is not considered expedient to adopt either of these courses, to send the remitter's

name (without a knowledge of which payment cannot be obtained) in a separate letter from that containing the Money Order; although this latter precaution is much less effective than either of the others.

Payment of an order cannot be demanded on the same day as that on which the order was issued.

In case of the miscarriage or loss of an inland Money Order, a duplicate is granted on a written application (with the necessary particulars, and enclosing the amount of a second commission, in postage stamps) to the Controller of the Money Order Office of England, Scotland, or Ireland, as the case may be, where the original order was issued; and if it be desired to stop payment of an inland order, a similar application, with a like enclosure of postage stamps, must be made to the Controller of the Money Order Office of that part of the kingdom in which the order is payable. If alteration in the name of the payee or remitter of an inland Money Order should be required, application must be made by the remitter to the postmaster of the office at which the order was issued, and a second commission must be paid. Should transfer of payment of an inland order from one office to another in the United Kingdom, or repayment of the amount of an order, be required, an application enclosing the order must be made to the postmaster at whose office the order is payable, who will transmit in exchange a new order payable at the place desired, but for a less sum than the original order by the amount of the second commission charged for the re-issue. Proper printed forms for making applications in all these cases may be obtained at any Money Order Office, and full instructions on the subject will be found printed on the back of the Money Order. Whenever, on complaint being made, it is found that the necessity for an application, entailing the payment of a fresh commission, is attributable to the Post Office, the charge will be remitted to the applicant, and imposed on the officer in fault.

A postmaster is required to give information how to apply for a duplicate order, etc., and must furnish the prescribed form of application. If payment of an order be refused in consequence of the replies to the questions respecting the remitter not corresponding with the entries in the advice, or of a difference in the name in the receipt, the applicant for payment should communicate with the remitter, and request him to apply personally to the issuing postmaster.

No letter-carrier, rural messenger, or other servant of the Post Office, is bound to procure a Money Order for any person, or to obtain payment for one; but such services are not forbidden.

Money Orders are issued at all Money Order Offices in the United Kingdom of Great Britain and Ireland (see List, p. 562): on ALSACE, BELGIUM, DENMARK, SWITZERLAND, GERMANY, including NORTH GERMANY, BADEN, BAVARIA, WURTEMBERG, LUXEMBURG, LORRAINE, and NETHERLANDS; as also on GIBRALTAR and MALTA, UNITED STATES OF AMERICA, and on the British Post Office established in ALEXANDRIA, CAIRO, CONSTANTINOPLE, and SUEZ, at a charge equal to threefold the commission on inland Money Orders; on Money Order Offices in ALEXANDRIA, ARGENTINE REPUBLIC, BRAZIL, BAHIA, BUENOS AYRES, CONSTANTINOPLE, GIBRALTAR, HONG KONG, MALTA, MONTE VIDEO, PERNAMBUCO, RIO JANEIRO, SHANGHAI, SUEZ, and YOKOHAMA, at a charge equal to threefold the commission on inland Money Orders; and on Money

Order Offices in the List on p. 582, at a charge equal to fourfold such commission.

The renewal of a lapsed order, the issue of a duplicate order, or the stoppage of payment of an order issued by a colony on the United Kingdom, will be made on application to the Controller of the Metropolitan Office of that portion of the United Kingdom in which such *Colonial Order is payable*, provided an additional British inland rate of commission be enclosed with the application; except in the case of lapsed orders, when the additional commission will be deducted from the amount of the new order issued by the department; but the lapsed order must be transmitted with the application for its renewal. Postmasters in the United Kingdom have power to transfer to other offices in the United Kingdom payment of colonial orders originally drawn on their own offices.

For repayment of the amount of a Money Order, or for the correction of any error respecting the name of the payee or remitter of an order issued by a colony on the United Kingdom, the application on the subject, enclosing an additional colonial inland rate of commission, must be addressed to the Controller of the Metropolitan Office of the colony in which such order was issued.

POST OFFICE TELEGRAPHS.

The charge for the transmission of an inland message—that is, of a message going from one part of the United Kingdom to another part of the United Kingdom—is 1s. for the first twenty words, exclusive of the address, for which no charge will be made, and 3d. for each additional five words or part of five words. Orkney and Shetland and Scilly Islands excepted.

Message forms are of two kinds, viz., forms with a 1s. stamp embossed thereon, and forms without any such stamp. Both kinds of form may be obtained at the postal telegraph offices, and the unstamped forms may be obtained at the railway stations, from which the railway companies will transmit messages on account of the Post Office. The forms with the 1s. stamp embossed thereon are sold in books of 20, price £1, or sold singly, or any number less than 20. Also Telegraph Postal Cards at same rates.

That portion of the form on which the message is to be written is divided into ten lines, and each line into five spaces; and it is very desirable that one word only be written in each space.

If the message be written in the manner requested, the charge for a message which does not reach beyond the first four lines will be 1s.; if the message reaches the fifth line, the charge will be 1s. 3d., and so on. The message forms admit of fifty words being thus written.

The payment of 1s. for a message not exceeding twenty words covers the delivery by special foot messenger within the limits of one mile from the terminal telegraph office—that is, within the limit of one mile from the office to which it is sent by wire or tube—or within the limit of the postal delivery of that office, when it is a head office, although the town postal delivery may extend for more than a mile from it.

The entire charges for words in excess of the minimum number of twenty words allowed to a single message, and the entire charges for portage, when any portage has to be paid, are also, as far as is possible, to be prepaid by means of a postage stamp or stamps affixed to the message form. It is desirable that the public should use the smallest number of stamps that will conveniently denote the charges for the transmission of the message, that is, that they should use a 6d. stamp instead of six

penny stamps. They are at liberty, however, to use for this purpose any of the denominations of postage stamps in use.

When the addressee—that is, the person who is to receive the message—does not reside within the limits above described, and when the sender desires to have his message delivered by special foot messenger, he will have to pay portage at the rate of 6d. per double mile—that is, a mile out and a mile back—or any part thereof. If the sender desires to have his message delivered beyond the limits of the free delivery by cab, fly, or horse express, he will have to pay 1s. per double mile for such delivery. Directions on these points are printed on the message form.

If the receiver of the message does not reside within the above described limits of free delivery, and the sender of the message does not desire to incur the cost of special delivery by special foot messenger, or by other means, the message will be sent out for delivery, free of extra charge, by the ordinary postal delivery next following on the arrival of the message at the terminal telegraph office, except for Orkney and Shetland, when postage must be prepaid.

Messages may not only be tendered for transmission at postal telegraph offices, but may be enclosed in envelopes addressed 'Telegraph Office,' and deposited in wall or pillar boxes, or in the letter boxes of ordinary receiving offices or sub-post offices. Telegrams so deposited will be sent on to the nearest postal telegraph office by the first ordinary postal collection from the letter box in which they are deposited, and will be sent on by wire from that nearest postal telegraph office as soon as possible after they reach it, and will be delivered to the addressee free of extra charge, provided the proper charge for the number of words contained in them, and for portage when they have to be delivered beyond the limits of the free delivery, have been prepaid by means of postage stamps affixed to the message form.

Messages so deposited, but insufficiently prepaid, will also be sent on in like manner, the difference of charge being obtained from the addressee; but messages so deposited without any prepayment whatever will be placed in a cover which will be directed to the addressee, and sent forward to him by post as an ordinary unpaid letter.

Messages written on the proper forms, and properly prepaid by means of postage stamps affixed to the forms, may be handed to rural post messengers who are proceeding to postal telegraph offices, for transmission therefrom.

Any additional information which the public may require with regard to the charges on, and regulations for the transmission of, inland messages, may be obtained at any postal telegraph office.

Messages for the Continent, India, or America, will also be collected at and delivered from the postal telegraph offices throughout the United Kingdom, at the rates and under the regulations charged and maintained by the telegraph companies engaged in the transmission and delivery of such messages.

Full information with respect to the charges on, and regulations for the transmission of, such messages, may also be obtained at postal telegraph offices.

Thus, a man aged 30 may purchase a Deferred Annuity of £10, to commence on his reaching the age of 60, and to be payable half-yearly, either by an immediate payment of . . . £24 3 4

or,
By an annual payment, until he reaches the age of 60, of . . . 1 8 4

A woman of like age may purchase a like Annuity by an immediate payment of . . . 32 8 4

or,
An annual payment, up to 60, of . . . 1 17 6

and a man aged 30 may purchase a Deferred Allowance of £2, 7s. 3d. per month, to commence when he reaches the age of 60, by a payment until he reaches that age of 8s. per month; and a woman of like age may, by a like payment of 8s. per month, purchase a Deferred Allowance of £1, 16s. 7d., to commence when she reaches the age of 60.

The Annuity or Monthly Allowance granted on any one life must not exceed £50 per annum, or £4, 3s. 4d. per month; but purchasers need not purchase the whole amount of such Annuity or Allowance at one time. They may begin by purchasing such part as they can afford to purchase, and go on increasing their purchases from time to time as their circumstances will permit.

Husband and Wife may each be insured to the full amount of £100, and may each purchase an Annuity of £50, or a Monthly Allowance of £4, 3s. 4d. Any two persons may purchase an Annuity on their joint lives, with or without continuance of the Annuity to the survivor.

Persons contracting for the insurance of their lives, or for the purchase of Annuities or Monthly Allowances, will be allowed to pay their periodical

premiums or instalments of purchase money at such of the post offices which have been or may hereafter be opened for the purpose, as will suit them best.

Persons proposing to effect insurances on their lives, or to purchase Deferred Monthly Allowances, must provide at their own cost such certificates of birth or baptism, or other evidence of age, as shall be required from them, but will not be required to pay any fee for medical examination, or to pay the cost of any inquiry which the Postmaster-General may think fit to make with regard to their health, habits, age, and occupation, or to pay any fee for the issue of any contracts which may be made in accordance with their proposals, or to pay any postage for the transmission of their proposals, or for the transmission of any correspondence arising out of such proposals between them and the Postmaster-General, inasmuch as a provision for all such costs and charges is included in the premiums which they will be required to pay, in accordance with the Tables framed for the purpose, for the insurance of their lives or the purchase of Deferred Monthly Allowances.

Persons proposing to purchase Immediate or Deferred Annuities, payable half-yearly, must provide at their own cost such certificates of birth or baptism, or other evidence of age, as shall be required of them; and, inasmuch as the premiums fixed by the Tables framed for the grant of such Annuities do not include any provision for costs and charges, must pay, at the time of purchase, a fee of 1s. for every £1 of Annuity purchased.

PRINCIPAL RULES OF THE POST OFFICE SAVINGS BANK.

Post Office Savings Banks are established at Money Order Offices in the United Kingdom, and are open for the receipt and payment of money

daily during the hours appointed for Money Order business.

At these banks deposits of one shilling, or any number of shillings, will be received; but no one may deposit more than £30 in one year, or more than £150 in the whole, exclusive of interest.

Interest at the rate of £2, 10s. per cent. per annum (which is at the rate of sixpence in the pound for each year, or at the rate of one-halfpenny on each complete pound for each month, reckoning from the first day of the calendar month next following the day on which a complete pound has been deposited, up to the last day of the calendar month preceding the day on which the money is withdrawn) is allowed until the sum due to a depositor amounts to £200, when interest ceases to be allowed. The interest due to each depositor is added to the principal due to him on the 31st December in each year.

Every deposit in a Post Office Savings Bank must be immediately entered by the postmaster, or other person receiving it, in a book, which book is to be kept by the depositor; and the postmaster or other person receiving the deposit should affix his signature and the stamp of his office to each entry. Depositors should carefully examine their books before leaving the offices at which they make their deposits, and ascertain that they have obtained correct receipts for the sums deposited by them.

In addition to the receipts which the depositors will thus obtain in their deposit books, they will receive for each deposit an acknowledgment by post from the Savings Bank Department in London. This acknowledgment should reach the depositor within three days from the day on which he makes his deposit, if the deposit be made in England or Wales. If the deposit be made in Ireland or Scotland, the acknowledgment should reach the depositor within five days. The acknowledgment should be quite free from erasure, and should state the exact amount of the deposit, and the day on which the deposit was made. If the acknowledgment does not reach the depositor in proper time, or if, when it reaches him, it shows any signs of erasure, or does not agree with the entry in the depositor's book, the depositor should immediately apply to the Postmaster-General by letter, and should renew his application again and again until he obtains a satisfactory reply.

Once in each year, on the anniversary of the day on which the first deposit was made by him, the depositor should forward his deposit book to the Controller of the Post Office Savings Bank Department in London, in order that it may be compared with the books of that department, and in order that the interest due to the previous 31st December may be inserted in it.

When a depositor wishes to withdraw the whole or any part of the sum due to him, he must make application for the same to the Postmaster-General

on a printed form called a Notice of Withdrawal, which he can obtain at any Post Office Savings Bank. When he has properly filled up this form, he must fold it and secure it, and forward it by post as if it were an ordinary letter. In return for it he will receive, probably by return of post, a warrant for the amount required by him, payable at the Post Office Bank named by him in the Notice of Withdrawal.

A depositor in any Post Office Savings Bank may add to his deposits at that or any other Post Office Savings Bank, and may withdraw the whole or any part of them from that or any other Post Office Savings Bank, without change of deposit book. For instance, if he makes his first deposit at the Post Office Bank at Huddersfield, he may make further deposits at, or withdraw his money from, the Post Office Bank at Huddersfield, or Leeds, Manchester, Birmingham, Edinburgh, Dublin, or any other place which may be convenient to him.

No charge will be made to depositors for the books first supplied to them, or for the renewal of those books; but if any depositor shall lose his book, and shall desire a new book, he must make application to the Postmaster-General for the same, and must enclose in his application postage stamps to the value of 1s. to pay for the new book. If a depositor loses his book, he should immediately give notice of the loss to the Postmaster-General.

No charge for postage will be made on the depositor for any letter passing between him and the Savings Bank Department with regard to his deposits, or with regard to the withdrawal of the same, or for the transmission of his deposit book between him and the Savings Bank Department.

The postmasters and other officers of the Postmaster-General employed in the receipt or payment of deposits, are strictly forbidden to disclose the name of any depositor, or the amount of his deposits, except to the Postmaster-General, or to such of his officers as are appointed to assist in carrying on the business of the Post Office Banks.

A full statement of the regulations of the Post Office Banks may be seen in the 'British Postal Guide,' and at any Post Office Bank; where also information may be obtained with regard to the rules affecting—

- (A.) The deposits made by trustees on behalf of another person.
- (B.) The deposits of minors.
- (C.) The deposits of married women.
- (D.) The deposits of friendly or charitable or provident societies or penny banks.
- (E.) The repayment of the deposits of deceased depositors to their representatives.
- (F.) The repayment of the deposits of depositors who have become insane, or who are, from other causes, unable to act for themselves.

FOREIGN.

OPTIONAL OR COMPULSORY PREPAYMENT.

When a letter, addressed to go by a route that requires prepayment, is posted unpaid, and there is some other route where prepayment is not required, it is forwarded by that route; but if there be none, it is sent to the Returned Letter Office, to go back to the writer.

DISTANCE TO WHICH THE POSTAGE CARRIES THE LETTER.

The letter a prefixed to any division shows that the postage there entered does not carry the letter

from the place where it is posted in the United Kingdom entirely free to its place of destination, but that it is liable to an *additional* charge upon delivery.

LETTERS FOR NON-COMMISSIONED OFFICERS, SOLDIERS, AND SEAMEN IN HER MAJESTY'S SERVICE.

Subject to the subjoined regulations, non-commissioned officers, bandmasters, army schoolmasters not being superintending schoolmasters or schoolmasters of the 1st class, private soldiers, or

seamen belonging to Her Majesty's ships, whether serving on sea or land, and whether in a British possession or foreign country, as also enrolled pensioners in Canada, can send and receive letters by packet or man-of-war, for a postage of 1d.; but if any such letters have to pass through a foreign country, they are subject, in addition, to the foreign postage, whatever that may be. Thus, the postage to the under-mentioned countries (including the British charge of one penny) is as follows:

To or from—	s. d.
China, Ceylon, Mauritius, India, Japan, or Australia, <i>viâ Brindisi</i>	0 4
Malta, <i>viâ Marseilles</i> (if not above $\frac{1}{2}$ oz.)	0 3
Chili, Peru, or any other place in the South Pacific	0 2
Vancouver's Island, British Columbia, or any other place in the North Pacific, <i>viâ New York</i>	0 2
Canada, <i>viâ United States</i>	0 2

1. The person claiming the privilege must at the time be actually employed in the service of Her Majesty, and must not be either a commissioned officer or warrant officer, viz. assistant engineer, gunner, boatswain, or carpenter, the privilege not extending to these officers.
2. If the letter be posted within the United Kingdom, the penny must be prepaid, as must any foreign postage that may be chargeable; and if sent by a private ship, the gratuity of one penny to the captain must also be prepaid. If posted abroad, prepayment is not compulsory; but if the letter be sent unpaid, it is on delivery charged twopence, together with any foreign postage or gratuity to a sea captain that may be due.
3. The letter must not weigh more than half an ounce.
4. It must relate entirely to the private concerns of the soldier or seaman.
5. The name of the soldier or seaman, with his class or description, must appear in the direction, and the officer having the command must sign his name, and specify the ship or regiment, corps or detachment, to which the soldier or seaman belongs; the name of the ship or regiment being entered in full. The foregoing particulars must be given in one of the following forms:

SEAMEN.

From A. B., Seaman, H.M.S. _____
(Here the direction of the letter to be inserted.)
 C. D., Captain (or other Commanding Officer),
 H.M.S. _____
 To A. B.,
 Seaman, H.M.S. _____
(Here the direction of the letter to be finished.)

SOLDIERS.

From A. B., Sergeant, etc., — Regt. _____
(Here the direction of the letter to be inserted.)
 C. D., Colonel (or other Commanding Officer),
 Regt. _____
 To A. B.,
 Private (or Sergeant, Corporal, etc.) — Regt. _____
(Here the direction to be finished.)

If the letter be posted in the United Kingdom for a place abroad, unpaid or insufficiently paid, or if the class or description of the soldier or seaman be

not written in the address, it will be detained, and returned to the writer for payment of the postage.

Letters for seamen on board Her Majesty's ships stationed at a foreign port should not be addressed to the care of the British Consul at that port, or to any agent on shore, as the privilege enjoyed by seamen, of receiving their letters through the post at reduced rates of postage, is confined to such letters as are addressed directly to them. All letters directed to the care of any other person are liable to the ordinary rate of postage; and in those cases where prepayment is necessary, they will be detained if such ordinary rate be not prepaid. The same rule is applicable to letters for non-commissioned officers in the army, schoolmasters, if not of the first class, schoolmistresses, and private soldiers.

OFFICERS' LETTERS.

Letters addressed to or sent by a commissioned officer (in the Navy or the Royal Marines), or a warrant officer, when employed on board any of Her Majesty's ships, on a colonial or foreign station, as well as letters addressed to or sent by a commissioned officer, or a superintending or first class schoolmaster in the army serving abroad, are subject to the same rates of postage as the letters of the general public. Letters addressed to ships-of-war on the Pacific station are subject to a postage of 1s. 6d. per half-ounce each.

ROUTES.

Except in the under-mentioned cases, letters not specially directed by a particular route are forwarded by the route immediately following the name of the place in the Table of Colonial and Foreign Postage:

- Exceptions.*—I. Letters for Aden, Alexandria, Cairo, India, and Suez, are sent by the first mail despatched by British packet; letters for Borneo, Ceylon, China, Japan, Java, Labuan, Penang, Philippine Islands, and Singapore, are sent by first packet, whether British or French, according to the route indicated by the postage; letters for Malta are sent by the first mail despatched, if the prepayment does not indicate that they are to be sent by another route.
- II. Letters for Canada posted after the despatch of the mail *viâ* the United States on Saturday are forwarded by Canadian mail packet on Thursday, unless prepaid at the higher rate.
- III. Letters for the Argentine Confederation, Brazil, Buenos Ayres, and Monte Video, are, provided the prepayment be sufficient, sent in the first mail despatched after the time of posting.
- IV. Letters for Baden, Bavaria, and Wurtemberg, if insufficiently paid for transmission *viâ* France, but sufficiently paid to be sent *viâ* Belgium, are forwarded by the latter route.

PRUSSIA AND THE GERMAN POSTAL UNION GENERALLY.

According to the regulations of the German Postal Union, no letter exceeding 50 grammes (a little more than $\frac{1}{2}$ oz.) in weight, and containing any other enclosure than paper, can be allowed to circulate by the post. Any letters, therefore, forwarded in the mail to Prussia above that weight, and containing any other enclosure than paper, will be liable, on their arrival at the Prussian frontier, to be stopped, and sent to the Custom House for delivery as *freight*.

TRANSMISSION OF JEWELLERY, ETC. TO ITALY, SPAIN, BELGIUM, TURKEY, AND COSTA RICA.

The laws of Spain forbid the transmission by the post within that country of letters or other packets containing watches, jewellery, or other articles of value, which are liable to Customs duties; and the circulation of coin, jewellery, or other articles of value in letters is also prohibited in Belgium and Italy. Any such packets, therefore, which may be forwarded in the mails to Spain, Belgium, or Italy will not be delivered, but will be sent back from the frontier. A similar prohibition, on pain of forfeiture, is placed upon the transmission of diamonds and other jewels to the Turkish Empire, and of money and jewellery to the Republic of Costa Rica.

REGISTRATION OF LETTERS, ETC.

The fee chargeable for registering a letter, in addition to the ordinary postage, *both of which must be prepaid, or the letter cannot be registered*, will be found against each country or place in the Table of Colonial and Foreign Postage. Letters, newspapers, books, and patterns, unless they be addressed to initials or to fictitious names, may be registered to the British Colonies, the United States of America, Italy, Switzerland, and Germany *via* Belgium, also (when sent in closed mails) to the British Post Offices in Egypt and Constantinople; but to other foreign countries *only letters and packets prepaid at the letter rates* can be registered. The fee chargeable for registration, in addition to the ordinary postage, *both of which must be prepaid*, will be found against each country or place in the table of Colonial and Foreign Postage. To some countries, as shown in the Table of Colonial and Foreign Postage, there is no arrangement whatever for registration.

France and Countries through France.—The charge for registration of letters addressed to France or countries through France (*exclusive of those sent in the closed mails to India, Hong Kong, Ceylon, Mauritius, Australia, Gibraltar via France, Malta, Constantinople, Greece, Portugal, Spain, or Italy*) is in all cases a sum equal to the postage, whatever that may be.

Where the prefix '*in*' is made use of in the column of fees in the Table of Colonial and Foreign Postage, the letter can be registered only to the port of arrival; it being left in those cases to the postal authorities of the country to which that port belongs to continue the registration if they think proper. Where the word '*none*' appears, no registration can be effected.

LETTERS BY PRIVATE SHIPS.

Letters intended to be sent by private ship must be addressed 'By Private Ship;' and if by a particular vessel, the name of the ship must be added. The postage of a letter by a private ship to Belgium, Belize, British North America, United States, and the British West Indies, is 3d. not exceeding $\frac{1}{2}$ oz., and 3d. is charged in the case of heavy letters for every additional $\frac{1}{2}$ oz.; to the Cape of Good Hope, Natal, St Helena, and Ascension, the postage is 4d. not exceeding $\frac{1}{2}$ oz., and 4d. is charged for every additional $\frac{1}{2}$ oz.; to France, 3d. is charged for every $\frac{1}{2}$ oz.; to Norway, every $\frac{1}{2}$ oz. 3d.; Holland, 8d., not exceeding $\frac{1}{2}$ oz.; in all other cases the single rate is 6d., and the postage for heavy letters progresses in the same manner as the postage of letters sent by mail packets. Letters may be sent unpaid to the following places, viz.:

Alexandria, <i>via</i> Southampton.	Cairo, <i>via</i> South- ampton.	Cape Coast Castle.	Gold Coast.	Newfoundland.
Bermuda, <i>via</i> New York.	Constantinople, <i>via</i> Marseilles.	Falkland Islands.	Italy.	Prince Edward Island.
		Gambia.	Malta.	Sierra Leone.
		Gibraltar.	Mauritius.	Suez, <i>via</i> Southampton.

Azores, Belgium, Belize, British West Indies, Canada, Cape de Verds, Cape of Good Hope, Ceylon, Falkland Islands, France and Algeria, Gold Coast, Holland, Hong Kong, India, Madeira, Mauritius, Natal, New Brunswick, Newfoundland, Nova Scotia, Portugal, Prince Edward Island, St Helena, Sierra Leone, and the United States; those for the Azores, Cape de Verds, Madeira, and Portugal being chargeable on delivery with 8d. per $\frac{1}{2}$ oz.; those for France and Algeria, 6d. per $\frac{1}{2}$ oz.; those for Norway, 6d. per $\frac{1}{2}$ oz. each in addition to the postage; and those for the other places (except Holland, which are not chargeable with any addition), one extra rate each; but to all other places prepayment is compulsory. Book packets and patterns may be sent by ship at the packet rates to all places where they can be forwarded by mail packet.

Newspapers by private ships to the Azores, Cape de Verds, Madeira, and Portugal, are charged 2d. each; in all other cases they are charged 1d. each.

HOT CLIMATES.

The practice of sealing letters passing to and from the *East and West Indies*, and other countries with hot climates, with wax (except such as is specially prepared), is attended with much inconvenience, and frequently with serious injury, not only to the letters so sealed, but to the other letters in the mail, from the melting of the wax and adhesion of the letters to each other. The public are therefore recommended in all such cases to use either wafers or gum, and to advise their correspondents in the countries referred to to do the same.

PREPAYMENT, ETC.

Letters addressed to places abroad may be prepaid in this country either in money or stamps, but such payment must be wholly in stamps or wholly in money. Newspapers, book packets, and patterns must always be prepaid, and this by stamps.

With certain exceptions, the only admitted evidence of the prepayment of a letter, *inwards*, is the mark agreed upon with the particular foreign country or colony.

Naval officers, marines, and seamen serving abroad, are allowed to prepay such of their letters as are conveyed in their ship's bag with English postage stamps.

When prepayment is *optional*, any outward letter (that is, a letter posted within the United Kingdom, and addressed to some place out of it) posted with an insufficient number of stamps, is charged on delivery with the deficient postage in addition; unless the letter have to go to a country through France, in which case it is treated as wholly unpaid, the postal arrangements with these countries not allowing the recognition of partial prepayment. When, however, prepayment of the whole postage is *compulsory*, a letter or aught else posted with an insufficient number of stamps is sent to the Returned Letter Office.

Letters to or from Australia and New Zealand, posted wholly unpaid or paid less than one rate, are detained and returned to the writers for postage; but those on which one rate, although not the whole postage, has been paid by stamps, are charged with the deficient postage, and an additional rate as a fine. Letters for Tasmania *must be fully prepaid*.

Letters posted unpaid (wholly or in part), addressed to the under-mentioned places, are on delivery charged 6d. each in addition to the ordinary postage:—

China.				

Letters for Ceylon and India are charged 9d. each additional; and those sent to the following German States *via* Belgium are charged 3d. per $\frac{1}{2}$ oz., in addition to the deficient postage, per half-ounce, viz.:—

Austria.	Hanover.	Lubeck.	Saxe Coburg Gotha.	Schleswig-Holstein.
Baden.	Hesse, Electoral.	Luxemburg.	Saxe Meiningen.	Schwartzburg Rudolstadt.

Frankfort.	Lippe Detmold.	Prussia.		
Hamburg.		Reuss.		

Those sent to Greece, Portugal, Madeira, the Azores, and Cape de Verdes, are charged 2d. per rate in addition to the deficient postage.

Letters posted wholly unpaid for Algeria and France, are charged 6d. per $\frac{1}{2}$ oz.; and those posted wholly unpaid, or paid less than one rate of postage, for the Canary Islands, Majorca, Minorca, and Spain, are charged double the prepaid rate.

Letters for the Canary Islands, Majorca, Minorca, and Spain insufficiently prepaid, are, provided one rate at least be paid, charged with double the deficiency; and those for Algeria, France, insufficiently prepaid, are charged at the unpaid rate less the value of the stamps affixed.

Those posted unpaid for the following places sent by French packet, are charged with a postage of 9d. per $\frac{1}{2}$ oz.:—

Alexandretta.	Ibrailla.	Mitylene.	Samsoun.	Trebizond.
Beyrout.	Ineböli.	Ordou.	Smyrna.	Taltscha.

Dardanelles.	Kerassun.	Rhodes.	Tangiers.	Varna.

Letters posted unpaid (wholly or in part) for Belgium, Canada, Nova Scotia, New Brunswick, the United States, or Holland *via* Belgium, are charged 3d. each in addition to the ordinary postage; those sent to Holland *via* France are charged 8d. per $\frac{1}{2}$ oz., and those for Switzerland *via* Belgium 3d. per $\frac{1}{2}$ oz.

The same rates are chargeable in this country upon letters posted unpaid wholly or in part from the above places, except from Alexandria, Cairo, and Suez, *via* Southampton, China, and Holland *via* France, which are charged the prepaid rate only.

LETTERS FOR PASSENGERS ON BOARD MAIL PACKETS.

Letters for passengers on board the Cunard and Inman packets for America touching at Queenstown, provided they be addressed to the care of the commander of the packet, and be

registered, may be posted in any part of the United Kingdom up to the time at which ordinary registered letters for America by the same packets are received.

Letters for passengers on board the Mediterranean packets about to sail from Southampton with the mails for India, Australia, China, etc., or on board the Canadian packets touching at Londonderry, may, under similar conditions, be posted up to the same time as ordinary registered letters for India, Australia, etc., or for Canada.

The letters should be addressed thus: 'Mr. _____, on board the mail packet at Queenstown [Londonderry or Southampton]. Care of the Officer in charge of the mails,' 'care of the commander of the packet,' as the case may be.

Letters directed to the care of the Packet Agent at Suez, and despatched by the mail *via* Brindisi, which follows the mail *via* Southampton, will probably reach passengers for India, etc., who have sailed in the packet from Southampton.

* The only Post Offices in Western Australia which are authorized to issue Money Orders on the United Kingdom, and to pay Money Orders issued in the United Kingdom on Western Australia, are those at Perth and Albany (King George's Sound); but local arrangements are now in operation in the Colony, by which Orders drawn on *Perth* in favour of persons residing in the above-mentioned Towns and Districts can be negotiated, and the signature of the payee always obtained on the Orders.

The renewal of a lapsed Order, the issue of a duplicate Order, or the stoppage of payment of an Order issued by a Colony on the United Kingdom, will be made on application to the Controller of the Metropolitan Office of that portion of the United Kingdom in which such *Colonial Order* is payable, provided an additional British Inland Rate of Commission be enclosed with the application; except in the case of lapsed Orders, when the additional commission will be deducted from the amount of the new Order

issued by the Department; but the lapsed Order must be transmitted with the application for its renewal. Postmasters in the United Kingdom have power to transfer to other offices in the United Kingdom payment of Colonial Orders originally drawn on their own offices.

For repayment of the amount of a Money Order, or for the correction of any error respecting the name of the Payee or Remitter of an Order issued by a Colony on the United Kingdom, the application on the subject, enclosing an additional Colonial Inland rate of Commission, must be addressed to the Controller of the Metropolitan Office of the Colony in which such *Order was issued*.

The following is a list of Stamp Duties according to the schedule of the Act 33 and 34 Vict. c. 97 (amended by 34 Vict. c. 4, and 34 and 35 Vict. c. 103), with the Duty on Policies of Insurance, Letters Patent, Patent Medicine, and Plate, and Inventory, Legacy, and Succession Duties, which remain under the former Acts. Generally, the items are given in the words of the schedule. New matter is put within brackets. When the sections are merely cited without the Act, they are the sections of 33 and 34 Vict. c. 97. All items in the schedule of the Act relating solely to England and Ireland are excluded. In the same session were passed the Acts 33 and 34 Vict. c. 98, Stamp Duties Management, and 33 and 34 Vict. c. 99, repealing certain enactments relating to the Stamp Duties. The Duties came into operation on the 1st January 1871.

The exemptions in other Acts in force are preserved (§ 3).

The attention of the public may be directed to the following matters:—

1. The general deed duty, or duty on a deed, not otherwise charged, is reduced to 10s.

2. Progressive duty on words is not imposed.

3. Provisions are made for charging *ad valorem* duty on conveyances in respect of periodical payments or annuities.—(§ 72.)

4. An agreement for a lease for a term not exceeding 35 years is to be charged with the lease duty.—(§ 96.)

5. An instrument chargeable as a lease in consideration, in whole or in part, of produce or other goods—

Where it is stipulated that the value shall amount to or not exceed a given sum, *ad valorem* lease duty on such sum.

A statement in the lease in regard to the value of such produce or goods to be conclusive as to stamp duty, unless and until shown to be incorrect.—(§ 97.)

6. A notarial instrument is liable to the same duty as an instrument of seisin—to wit, 5s.

7. Any instrument specifically charged by any previous Act with the duty of 35s., is chargeable with the duty of 10s.—(§ 4.)

8. Instruments relating to the property of the Crown, and to the private property of the sovereign, are liable to same duties as instruments relating to the property of the subject.—(§ 5.)

9. Instruments are to be so stamped that the stamp may appear on the face of the instrument, and cannot be applied to any other instrument written upon the same piece of material.—§ 7 (1.) Every instrument on the same piece of material is to be separately stamped.—§ 7 (2.)

10. Instruments relating to several distinct matters are to be separately stamped in respect of each.—§ 8 (1.) An instrument liable to *ad valorem* duty, if made for any other valuable consideration, is to be charged in respect of it, as if it were a separate instrument for such.—§ 8 (2.)

11. An appropriated stamp (by word on the face of it) cannot be used for an instrument of another description.—§ 9 (1.) An instrument of the description to which a stamp is appropriated is not to be duly stamped unless stamped with the stamp appropriated to it.—§ 9 (2.)

12. All the facts and circumstances affecting the liability of an instrument to *ad valorem* duty, or the amount of it, are to be fully and truly set forth. If not, penalty on person who executes and on person concerned in the preparation, £10.—(§ 10.)

13. Instrument chargeable with *ad valorem* duty in respect of money in foreign or colonial currency, the duty to be calculated on the value in British currency, according to the current rate of exchange at the date of the instrument.—(§ 11.)

14. Instrument chargeable with *ad valorem* duty

in respect of stock or marketable security, the duty to be calculated on the value, according to the average price at the date of the instrument.—(§ 12.)

15. If the instrument contains a statement of the current rate of exchange, or average price, and is stamped accordingly, it is to be deemed duly stamped until statement shown to be untrue, and that the instrument is in fact insufficiently stamped.—(§ 13.)

16. The duties apply to instruments executed in the United Kingdom, and to instruments where-soever executed, relating to property situated, or to any matter or thing done or to be done, in the United Kingdom.—(§ 17.)

17. No instrument, except in criminal proceedings, shall be pleaded or given in evidence, or admitted to be good, useful, or available in law or equity, unless it is duly stamped in accordance with the law in force when executed.—(§ 17.)

18. If any person registers an instrument not duly stamped, penalty £10.—(§ 22.)

INVENTORY DUTY.

PROPERTY LIABLE TO THE DUTY.—*Generally*—All personal property (heritable securities are personal property) belonging to the deceased in the United Kingdom, heritable securities, and personal bonds excluding executors. (48 Geo. III. c. 149, § 38, etc.; 55 Geo. III. c. 184, Schedule, Part III.; 21 & 22 Vict. c. 56, § 9, 12, 13, etc.; and 16 & 17 Vict. c. 59, § 8.)

Personal Property—Absolute power of disposal.—Personal estate which a person, dying after 3d April 1860, shall have disposed of by will, under any authority enabling such person to dispose of the same as he shall think fit, shall be deemed personal or moveable estate of the person so dying, for the purpose of payment of

inventory, probate, or administration duty. (23 Vict. c. 15, § 4.)

Indian Promissory Notes—Ships.—Indian Government promissory notes and certificates issued, or stock in lieu thereof, being assets of a deceased person, the interest of which shall be payable in London, registered in London, or enfaced in India for the purpose of such registration, before the death of the owner; also Indian Government promissory notes, with coupons attached, in the same circumstances as to registration, and certificates issued, or stock created in lieu thereof, shall be personal estate and *bona notabilia* in England of the deceased person (23 Vict. c. 5, § 1): Also any *ship*, or any share of a ship, belonging to a deceased person, registered in any port in the United Kingdom, notwithstanding such ship at the time of the death may have been at sea, or elsewhere out of the United Kingdom, shall be deemed to be at the port at which she may be registered (27 & 28 Vict. c. 56), and liable to inventory, probate, or administration duty.

Specialty Debts.—For probate and administration duty, debts and sums of money due from persons in the United Kingdom to a deceased on obligation or other specialty, shall be estate and effects of the deceased within the jurisdiction of Her Majesty's Court of Probate in England or Ireland in which the same would be if they were debts upon simple contract, without regard to the place where the obligation or specialty shall be at the time of the death. (25 Vict. c. 22, § 39.)

Foreign Bonds and Stocks.—Documents of the debts of foreign governments and foreign companies which pass from hand to hand are property where the documents may be. Debentures or bonds by foreign companies and governments, and the title to stocks of foreign companies and governments, are property in this country if in the possession of any person in this country, and can be sold in the market, and the title of the purchasers completed to them in this country. See Attorney-General v. Bouwens, 4 Meeson and Welsby 171.

Rents of Heritage.—If the deceased survive Whitsunday, one moiety of the rents of the crop of that year is personal estate. If he survive Martinmas, the whole rents of that crop fall into the executry. In addition, from and after 1st August 1870, the Act 33 & 34 Vict. 1870, c. 35, would seem to give the executor a proportion of the rents from the term preceding the date of death to the date of death. That Act would also seem to give a proportion of the term's rents of quarries, minerals, and houses, and also feu-duties current at the death. The executor's right to house rents would not therefore be to the half-year's rents current at death, but to a proportion only to the date of death.

MODES IN WHICH DUTY MAY BE PAID.

When deceased domiciled in Scotland.—In the case of a person dying domiciled in Scotland having personal property in Scotland, England, and Ireland, and also heritable securities excluding executors, and personal bonds excluding executors, duty in respect of the whole may be paid on the inventory required to be recorded in the Commissary Court; or inventory duty may be paid on the personal property situated in Scotland, including heritable securities made moveable by the Act 31 & 32 Vict. c. 101,

§ 117, and duty may be paid on a 'special inventory' of the heritable securities excluding executors, and personal bonds excluding executors, and probate or administration may be obtained in England and Ireland in respect of the personal estate in these countries, and duty paid in respect of such on these instruments.

When deceased domiciled furth of the U. K.—In case of a person dying domiciled furth of the United Kingdom leaving personal estate in Scotland, England, and Ireland, an inventory must be given up in Scotland, probate or administration taken out in England and Ireland, and duty paid on such in respect of the property in each country.

RETURN OF INVENTORY DUTY.

The inventory duty and probate and administration duty are paid on the whole personal property, without deduction of debts; but the Act 5 & 6 Vict. c. 79, § 23, provides for a return being given on proof of the constitution and payment of the debts. This return must be claimed within three years; but the time will be prolonged on application to the Board of Inland Revenue. No return to be granted in respect of a voluntary debt due from a person dying after 28th June 1861, expressed to be payable on the death of such person, or payable under an instrument which shall not have been *bona fide* delivered to the donee three months before the death of such person. (24 & 25 Vict. c. 92, § 3.)

Note.—Forms of inventory and additional inventory will be found in the *Juridical Styles*, vol.

The duty on HERITABLE PROPERTY is charged on the annual value, after allowance of the necessary outgoings (§ 22), as an annuity for the life of the successor (§ 21), which is to be valued by tables annexed to the Act.

Board may remit penalties within twelve months.—

(b) The commissioners may, if they think fit, at any time within twelve months after the

first execution of any instrument, remit the penalty or penalties, or any part thereof.

(See Note a.)

Unstamped or insufficiently stamped instruments produced in Court, if duty and penalty be paid to officer of Court, may be received in evidence.

—§ 16. (1.) Upon the production of an instrument chargeable with any duty as evidence in any court of civil judicature in any part of the United Kingdom, the officer whose duty it is to read the instrument shall call the attention of the judge to any omission or insufficiency of the stamp thereon, and if the instrument is one which may legally be stamped after the execution thereof, it may, on payment to the officer of the amount of the unpaid duty, and the penalty payable by law on stamping the same as aforesaid, and of a further sum of £1, be received in evidence, saving all just exceptions on other grounds.

The officer of the Court to account for duties and penalties.—(2.) The officer receiving the said duty and penalty shall give a receipt for the same, and make an entry in a book kept for that purpose of the payment and of the amount thereof, and shall communicate to the commissioners the name or title of the cause or proceeding in which, and of the party from whom, he received the said duty and penalty, and the date and description of the instrument, and shall pay over to the Receiver-General of Inland Revenue, or to such other person as the commissioners may appoint, the money received by him for the said duty and penalty.

Commissioners to stamp instrument.—(3.) Upon production to the commissioners of any instrument in respect of which any duty or penalty has been paid as aforesaid, together with the receipt of the said officer, the payment of such duty and penalty shall be denoted on such instrument accordingly.

ADJUDICATION.

DOUBTS AS TO SUFFICIENCY OF STAMPS MAY BE REMOVED.

The commissioners may be required to express their opinion as to duty.

Mode and effect of proceeding.—§ 18. (1.) Subject to such regulations as the commissioners may think fit to make, the commissioners may be required by any person to express their opinion with reference to any executed instrument upon the following questions:—

- (a.) Whether it is chargeable with any duty;
- (b.) With what amount of duty it is chargeable.
- (2.) If the commissioners are of opinion that the instrument is not chargeable with any duty, such instrument may be stamped with a par-

a. Instruments to have stamps impressed are received at the Cashier's Office, Inland Revenue, Edinburgh, to be stamped, if within two months of the first date (the solicitor may in certain circumstances receive them within two months of the last date), on payment of the duty; if beyond that date, on payment of the duty and penalty. Persons applying will be furnished with a schedule, which, after being filled up, is to be presented, with the instrument, at the Cashier's Office, No. 3 Inland Revenue. The amount of duty sought to be impressed is to be inserted in the schedule by the applicant before being presented, and the duty is to be paid at the time of the application.

ticular stamp denoting that it is not chargeable with any duty.

(3.) If the commissioners are of opinion that the instrument is chargeable with duty, they shall assess the duty with which it is in their opinion chargeable, and if or when the instrument is duly stamped in accordance with the assessment of the commissioners, it may be also stamped with a particular stamp denoting that it is duly stamped.

(4.) Every instrument stamped with the particular stamp denoting either that it is not chargeable with any duty, or is duly stamped, shall be admissible in evidence, and available for all purposes, notwithstanding any objection relating to duty.

(5.) Provided as follows:—

(a.) *Instrument to be stamped according to opinion.*

—An instrument upon which the duty has been assessed by the commissioners shall not, if it is unstamped or insufficiently stamped, be stamped otherwise than in accordance with the assessment of the commissioners.

(b.) *Securities without limit not to be adjudicated.*

—Nothing in this section contained extends to any instrument chargeable with duty, and made as a security for money or stock without limit.

(c.) *Also instruments which cannot be stamped.*

—Nothing in this section contained shall be deemed to authorize the stamping after the execution thereof of any instrument prohibited by law from being so stamped.

Persons dissatisfied may appeal.—§ 19. (1.) Any

person who is dissatisfied with the assessment of the commissioners made in pursuance of the last preceding section may, within twenty-one days after the date of such assessment, and on payment of duty in conformity therewith, appeal against such assessment to Her Majesty's Court of Exchequer in England, Scotland, or Ireland, according to the country in which the case has arisen, and may for that purpose require the commissioners to state and sign a case, setting forth a question upon which their opinion was required, and the assessment made by them.

Mode of proceeding.—(2.) The commissioners shall thereupon state and sign a case accordingly, and deliver the same to the person by whom it is required, and on his application such case may be set down for hearing in the proper court.

(3.) Upon the hearing of such case (due notice of which is to be given to the commissioners) the court shall determine the question submitted, and if the instrument in question is in the opinion of the court chargeable with any duty, shall assess the duty with which it is so chargeable.

(4.) If it is decided by the court that the assessment of the commissioners is erroneous, any excess of duty which may have been paid in conformity with such erroneous assessment, together with any penalty which may have been paid in consequence thereof, shall be ordered by the court to be repaid by the commissioners to the appellant, together with the costs incurred by him in relation to the appeal.

(5.) But if the assessment of the commissioners is confirmed by the court, the costs incurred by the commissioners in relation to the appeal shall be ordered by the court to be paid by the appellant to the commissioners.

The commissioners may call for and refuse to proceed without evidence.—§ 20. (1.) In any case

of application to the commissioners with reference to any instrument, the commissioners may require to be furnished with an abstract of the instrument, and also with such evidence as they may deem necessary, in order to show to their satisfaction whether all the facts and circumstances affecting the liability of the instrument to duty, or the amount of the duty chargeable thereon, are fully and truly set forth therein, and may refuse to proceed upon any such application until such abstract and evidence has been furnished accordingly.

Affidavit not to be used otherwise. Person paying full duty relieved of penalty, etc., for omission to state truly in instrument.—(2.) Provided that no affidavit or statutory declaration made in pursuance of this section shall be used against any person making the same in any proceeding whatever, except in an inquiry as to the duty with which the instrument to which it relates is chargeable; and every person by whom any such affidavit or declaration is made shall, on payment of the full duty with which the instrument to which it relates is chargeable, be relieved from any penalty, forfeiture, or disability he may have incurred by reason of the omission to state truly in such instrument any of the facts or circumstances aforesaid.

(See Note a.)

DUPLICATES (§ 93).—CONVEYANCE ON SALE (§ 76).—SETTLEMENT (§ 126), etc. § 14. Where the duty with which an instrument is chargeable depends in any manner upon the duty paid upon another instrument, the payment of such last-mentioned duty shall, if application be made to the commissioners for that purpose, and on production of both the instruments, be denoted in such manner as the commissioners think fit upon such first-mentioned instrument. (See Note b.)

The Treasury have authorized the following rates of discount, viz.:—

Purchasers of stamps (except receipt, labels for medicines, newspapers, and postage stamps) at London, Edinburgh, or Dublin, under the value of £10 each, but to the value of £30 or upwards in whole, are allowed discount at the rate of 30s. per cent. (12 & 13 Vict. c. 80.) The like discount is allowed to any person lodging, at Edinburgh, paper or forms containing printed matter only, to be impressed with stamp duties under the value of £10 each, but to the value of £30 or upwards in whole.

The like discount is allowed on forms lodged, at one time, at London, Edinburgh, or Dublin, to be stamped to the amount of £10 or upwards. EXCHANGING SPOILED STAMPS.

STAMP DUTIES MANAGEMENT ACT, 1870 (33 & 34 Vict. c. 98).

Allowance for Spoiled Stamps.—§ 14. The commissioners may make regulations regarding allowance for stamps spoiled in the following cases, viz.:—

Instruments not executed.—(1.) Inadvertently and undesignedly spoiled, obliterated, or by any means rendered unfit for the purpose intended: *Adhesive Stamps.*—(2.) Any never used nor affixed

to any material, but inadvertently and undesignedly spoiled or rendered unfit for use:

Bills and Notes.—(3.) Signed by the drawer, but not delivered out of his hands to the payee, or any person on his behalf, or deposited with any person as a security for the payment of money, or in any way negotiated, issued, or put in circulation, or made use of in any other manner whatever, and which being a bill has not been accepted by the drawee, and does not bear any signature intended as or for the acceptance:

(4.) Signed for or on behalf of the drawer thereof, but which from any omission or error has been spoiled or rendered useless, although the same, being a bill of exchange, may have been presented for acceptance or accepted or endorsed, or, being a promissory-note, may have been delivered to the payee, provided that another completed and duly stamped bill or note is produced identical in every particular, except in the correction of such error or omission as aforesaid, with the spoiled bill or note:

(5.) The stamp used for any of the following instruments, that is to say—

(a.) Presentation to an ecclesiastical benefice not followed by institution:

(b.) *Executed Instruments*—Executed by any party thereto, but afterwards found to be absolutely void in law from the beginning:

(c.) Executed by any party thereto, but afterwards found unfit by reason of any error or mistake therein for the purpose originally intended:

(d.) Executed by any party thereto, but which, by reason of the death of any person by whom it is necessary that it should be executed, without having executed the same, or of the refusal of any such person to execute the same, or to advance any money intended to be thereby secured, cannot be completed so as to effect the intended transaction in the form proposed.

(e.) Executed by any party thereto, which, for want of the execution thereof by some material and necessary party, and his inability or refusal to sign the same, is in fact incomplete and insufficient for the purpose for which it was intended:

(f.) Executed by any party thereto, which, by reason of the refusal of any person to act under the same, or by the refusal or non-acceptance of any office thereby granted, totally fails of the intended purpose:

(g.) Executed by any party thereto, which, for want of enrolment or registration within the time required by law, becomes null and void:

(h.) Executed by any party thereto, which becomes useless in consequence of the transaction intended to be thereby effected being effected by some other instrument duly stamped:

(i.) Executed by any party thereto, which is inadvertently and undesignedly spoiled, and in lieu whereof another instrument made between the same parties and for the same purpose is executed and duly stamped:

Provided—

(1.) *Executed Instruments*—

(a.) The instrument is given up to be cancelled:

(b.) The application is made within *six months* after the date of the instrument, or, if not dated, within *six months* after the execution by the person by whom it was first or alone executed. Except, 1. Where from unavoidable circumstances any instrument for which another instrument has been substituted cannot be given up to be cancelled within the aforesaid period, and in that case within *six months*

after the date or execution of the substituted instrument; 2. Where the spoiled instrument has become void for want of enrolment or registration, and in that case within *six months* next after it has so become void; 3. Where the spoiled instrument has been sent abroad, and in that case within *six months* after it has been received back in any part of the United Kingdom:

(c.) No action has been brought or suit commenced in which the instrument could or would have been given or offered in evidence:

(2.) *Unexecuted Instruments.*—In the case of stamped material, not having any executed instrument written thereon, and of an adhesive stamp not affixed to any material, the application is made within *six months* after the stamp has been spoiled.

Misused Stamps.—§ 15. Stamp used of greater value than was necessary, or stamp inadvertently used for an instrument not liable to any duty, application within *six months* after the date of the instrument, or, if it is not dated, within *six months* after the execution. The instrument liable to duty to be restamped with the proper duty. The misused stamp to be cancelled and allowed as spoiled.

Allowance how to be made.—§ 16. The commissioners may give in lieu other stamps of the same denomination and value, or if required, and they think proper, stamps of any other denomination to the same amount in value, or, at their discretion, the same value in money, deducting the proper allowance on the purchase of stamps of the like description.

Stamps not wanted may be repurchased by the commissioners.—§ 17. A stamp not spoiled or rendered unfit or useless for the purpose intended, but for which the person has no immediate use, the commissioners may, if they in their discretion think fit, repay the amount in money, deducting the proper discount. The stamp to be delivered up to be cancelled, and satisfactory proof to be given that it was purchased by him with a *bona fide* intention to be used, and that the applicant has paid the full value thereof without any deduction (except only the amount of such discount), and that the stamp was so purchased within the period of *six months* next preceding the application at the chief office or at one of the head offices, or from some person duly appointed to sell and distribute stamps, or duly licensed to deal in stamps.

As to the exchange of *Sea Policies* of Insurance, see 30 Vict. c. 23, § 17. The cases for allowing are—

(1.) Where policy shall be inadvertently filled up in an incorrect or improper manner;

(2.) Or be obliterated or otherwise spoiled, and rendered unfit for use;

(3.) Or shall be filled up for some insurances which shall not be proceeded in, and the same shall not be signed by any underwriter.

Application must be made within *six months* after the policy shall be spoiled or become useless. (See Note a.)

a. The Solicitor's Office, No. 5 in the Inland Revenue Office, Edinburgh, is open for the allowance of spoiled stamps every Tuesday and Thursday, from 12 noon to 2 p.m. The distributors of stamps also receive spoiled stamps for allowance.

A supply of forms of affidavits is kept by the solicitor and the distributors, and claimants may attend at the Solicitor's Office and have the affidavits filled up and taken; or they may get copies of the forms, and take the oath before a justice of the peace, and afterwards lodge the affidavits and

the stamps with any of the above officers. If the claim be admitted at Edinburgh, a ticket is issued stating that application is to be made for the new stamps after the next Monday, and within six weeks from the date of the ticket. If the claim be lodged with a distributor, a ticket is issued stating

that application is to be made for the said stamps after a specified date, and within six weeks from the date of the ticket. If application not made within that time, the claim will be forfeited.

The stamps must be presented for allowance within six months after being spoiled.

HACKNEY CARRIAGES IN EDINBURGH.

FARES BY DISTANCE.

1. The distance to which any hackney carriage may be driven under these Bye-laws, shall be seven miles from the Cross of Edinburgh.

2. When a party not exceeding two grown-up persons, and without any luggage other than a carpet-bag or the like, enters a carriage at a stance, or when driving along disengaged, they shall be driven half a mile for 6d.; and if they return they shall pay the same fare. The driver shall draw up to either side of the pavement when called; and if detained more than five minutes before starting, he shall be entitled to 6d. for waiting.

N.B.—This rule shall not apply to fares from railway stations.

3. Excepting the Sixpenny Fare, the fares by distance shall be shown in the annexed Table of Fares. The charges in the table shall include going from the stance or stable to the hirer's residence, and waiting ten minutes. But if the carriage be detained, before starting, more than ten minutes, a charge for waiting at the rate of 6d. for each quarter of an hour, or part thereof, after the expiry of the ten minutes, shall be allowed; and if the place where the hirer is to be taken up be beyond half a mile from the stance or stable whence the carriage is taken, there shall be a charge of 6d. for such distance.

4. When any place is not mentioned in the table, the fare shall be the same as that to any place mentioned which may be in the immediate vicinity.

5. When the fare of any particular place not mentioned cannot be ascertained by reference to a place in the immediate vicinity, the fare shall be 1s. for a distance from the stance not exceeding a mile and a half, and *sixpence* for every additional half-mile or part thereof.

6. Half fare returning with the party, excepting the half-mile drive.

7. When parties return (which they shall have the option of doing), and the fare going is 1s., the carriage shall wait ten minutes without any charge for waiting; when 1s. 6d., fifteen minutes; when 2s. and upwards, twenty minutes. If the carriage be detained longer, a charge shall be allowed for waiting, at the rate of 6d. for every twenty minutes, or part thereof, commencing at the periods when the free waiting expires.

8. When a carriage is called but not used, a charge of 6d. shall be allowed, if the place to which it is called be under half a mile from the stance or stable, and 1s. if beyond that.—Waiting as in Section 7.

FARES BY TIME.

It shall be in the option of the hirer to employ a carriage within the municipal bounds by time, for SHOPPING, MAKING CALLS, and the like, where the driving is not continuous. The charge in such cases shall be 1s. for the first half-hour, and 6d. for every additional quarter of an hour.

For an AIRING into the country within seven miles from the Cross of Edinburgh, and returning either by the same or a different road, the rate shall be 6d. for every ten minutes, or 3s. per hour. A drive round the Queen's Drive shall be considered an airing. Unless the hirer wishes a slower pace, the rate of driving when out an airing shall be at least six miles an hour; and in the event of the driving being at a slower pace than six miles an hour, contrary to the wish of the hirer, it shall be optional for the hirer to pay the fare in the proportion of 3s. for every six miles so travelled.

WHETHER THE FARES ARE BY DISTANCE OR BY TIME.

1. The hirer pays tolls.

2. If there be more than four grown-up persons driven, a charge of 6d. extra shall be made for each additional grown-up person, or for each two children above six years of age, and under twelve. No additional charge for one child above six to twelve, or children under six years.

3. From twelve at night till seven morning—double fare.

4. The above fares are for one-horse carriages, and there shall be no additional charge when two horses are used.

5. Owners or drivers may agree to drive at lower fares than those fixed. In that case, should they demand more than the fare agreed on, they shall be liable as for an overcharge.

LUGGAGE.

For luggage exceeding 100 lbs. in weight there shall be a charge of 6d. extra. But there shall be no charge for luggage under that weight. The driver shall assist in loading and unloading in all cases when required.

FARES MAY BE WITHHELD.

Any party shall be entitled to withhold payment of the fare—

1. When the name and number are not painted outside, or when there is no plate inside, in terms of Article Third of these bye-laws.
2. When the reference ticket is not given.
3. When the bye-laws, table of fares, and driver's licence are not shown on demand.
4. When an overcharge is made.
5. When the driver fails or refuses to complete an engagement.

REDRESS.

Parties aggrieved will obtain redress on application to the Procurator-Fiscal at the City Chambers, within eight days after the date of the offence, except in cases when parties are prevented making such application by their absence from town.

Note.—Attention is specially directed to the 237th Section of the Police Act, which imposes a penalty not exceeding 10s. on any person who refuses to pay the regular fare on demand.

The Standard Life Assurance Company.

THIS COMPANY was established at Edinburgh in 1825. The Acts of Parliament 2d and 3d Gul. iv. cap. 81, and 8th and 9th Vict. cap. 75, also the 22d and 23d Vict. cap. 27, have been granted for the purpose of its constitution and for the regulation of its affairs. It has been conducted with much success, which may be attributed not only to its extensive and influential connections, but more particularly to the liberality of its dealings, and to the constant attention paid by the Directors to the adoption of improvements and facilities in connection with the contract of Life Assurance.

THE STANDARD LIFE ASSURANCE COMPANY—*continued.*

The REVENUE ACCOUNT and BALANCE SHEET, prepared and certified in accordance with the Life Assurance Companies Act, 33 and 34 Vict. cap. 61, can be obtained by application at the Company's Offices or Agencies.

The REPORT by the Board of Directors was unanimously approved of.

The CHAIRMAN then addressed the Meeting. He said :—

'The year following an Investigation and Division of Profits is always a trying one, as the Agents, and all connected with the Company, do not set to work to get new business until the Bonus has been declared, which does not generally take place until the middle of the year following the date as at which the division is made.

'In these circumstances, and keeping further in view that the energies of all the Company's connections have been somewhat exhausted during the year preceding the division of profits, when there is a peculiar inducement to proposers to come forward,—on all these grounds, the year following a Bonus year may fairly be expected to show less favourable results than those of its predecessors or successors.

'The Directors are accordingly the more gratified to be able to state that the business of the past year has quite come up to their fullest expectation. They are always satisfied when One Million of new business is the result of the year's operations; and on this occasion that amount has been exceeded, the New Assurances effected reaching the large sum of £1,041,097, 5s., selected from proposals not far short of One Million three hundred thousand.

'This is one point of congratulation in connection with the transactions of the past year. In all other respects the year has been an ordinary one, not marked by any special feature. The claims paid, including Bonus additions, have amounted to upwards of £400,000, making somewhat more than £1300 paid for each business day; and it will still further impress on you the magnitude of our duties in this respect, when I mention that during the last six years we have paid upwards of Two Millions sterling in claims alone.

'Indeed the payment of claims has become a most important department of the Company's business—as much so nearly, I may say, as the transacting of new assurances, and requiring at the same time very special attention. The Directors regard it of the greatest importance to settle all claims with as much ease and rapidity as possible, and they can well appeal to their public character for liberality in this respect.

'The Investment of the Company's Funds engages the anxious attention of the Board, and they consider a periodical scrutiny of their Investments to be one of their most important duties. Such a scrutiny was made last year with reference to the Division of Profits, and was highly satisfactory, as shown in the Report submitted at the time. I myself can state personally my full satisfaction with the attention paid to this important branch of the Company's business.

'The new form in which the Company's accounts are now published, in accordance with the Act of Parliament for the regulation of Assurance Companies, shows very distinctly the progress and position of the business; and the published accounts of Revenue and Expenditure, and of Liabilities and Assets, the Directors consider of very great importance both to the Offices and to the public, bringing, as they do, into one form all the transactions of the different Companies.

'The Directors have nothing to report as to the extension of the Company's Agency arrangements, beyond the opening of a Branch in Manchester under the charge of Mr. Hudson, who has been for many years one of the Company's Inspectors. The Directors have no doubt that this arrangement will prove highly conducive to the Company's interests. In the Colonial Department the Company's Calcutta Branch has been placed on an extended footing, so as to be more in keeping with the growing importance of the Company's business in that quarter of the world.

[Over.

THE STANDARD LIFE ASSURANCE COMPANY—*continued.*

'The Division of Profits last year, when the large sum of £331,591, 18s. was divided among the Policy-holders, has given general satisfaction. Assurance Policy-holders are not easily satisfied in this respect, and the undue pressure for bonus is a point on which the public err. The Directors do their best to give all interested in the business the fullest advantages from it; and although some may think that the Company might divide a larger amount of surplus, the Directors are not inclined to increase the Company's popularity in this way by making encroachment on their resources.

'The only other point on which I wish to say a few words is as to the important advantages which the Company offers to assurers in connection with the contract of assurance. The STANDARD was the first to liberalize the contract, and I think it is quite right they should have the credit of it. I recollect, not very long ago, when a Life Policy was so fenced about with conditions, that it was a somewhat difficult thing for the life assured to steer clear of a forfeiture.

'Among the causes of forfeiture were—

'Residence beyond the limits of Europe; or, in some cases, beyond Great Britain.

'Crossing the Channel, except to ports between the Texel and Brest, or some similar limits.

'Non-payment of the annual premium for more than 15 days.

'Death by Suicide, Duelling, or the Hands of Justice.

'An error in statement, connected with the original proposal for assurance, even though accidental and unintentional.

'All these were causes of forfeiture.

'Further, many Offices allowed no surrender value if the Policy was dropped from any cause.

'How STANDS THE CASE NOW?—owing in a great measure to the example of Liberality set by the STANDARD.

'Our conditions are—

'Residence allowed in any part of the world, in the case of professional men and others, who, having no intention of proceeding abroad when they took out their Policies, have occasion afterwards to do so, a free Policy having been obtained.

'Residence allowed to all Policy-holders in any part of Europe, and in various other parts of the world, with moderate extra premium for residence beyond the limit of temperate climates.

'Thirty days allowed for the payment of the renewal premium in all cases, and 13 months altogether under Policies of five years' standing, without medical certificate, on payment of a fine; and if a claim arises within these 13 months, it is the Company's practice to pay the amount under deduction of the unpaid premiums and fines. After the 13 months the Policy is forfeited, but the surrender value remains available for five years, as explained in the Company's prospectus. Policies of less than five years' standing may also be renewed after the expiry of 30 days on liberal conditions.

'The clauses as to death by Suicide, Duelling, and the Hands of Justice have been expunged.

'Surrender values of Policies are guaranteed at a certain amount, varying according to class, duration, etc., thus:

'In the case of Home Policies with profits, the rate of surrender value is from 30 to 40 per cent. on the amount of premiums paid, according to the age of the assured and duration of the Policy, in the case of Policies on which three or more premiums have been paid; 25 per cent. for Policies of less duration. These values are exclusive of the values of Bonus additions.

'In the case of Home Policies without profits, from 20 to 40 per cent. is allowed after three premiums have been paid.

'In the case of Colonial Policies the surrender values are liberal, being specially arranged with reference to class and climate.

'Finally, a STANDARD Policy is unchallengeable on any ground whatever connected with the original documents on which the assurance was effected after it has existed for five years, without application, subject to age having been proved. In the case of Policies of less than five years' standing, that period must elapse before they become indisputable.

'These are most important concessions, and I do not think they are fully known to Solicitors and others in arranging marriage contracts and other onerous deeds with which Policies are connected. What a difference it makes in the security afforded when all these privileges are guaranteed! I do not know any Assurance Contract more secure than a STANDARD Policy.'

By Order of the Directors,

WILL. THOS. THOMSON, *Manager.*

This Society undertakes every description of Life Assurance, and the Public will find that the Rates of Premium are as moderate as is consistent with perfect security.

TO MINISTERS OF RELIGION.—The Directors of the ARK ASSURANCE SOCIETY OF SCOTLAND call the special attention of Ministers of Religion to this Office, the Assurance of their Lives being one of its most important features.

It is a well-established fact in Life Statistics, that, as a body, Ministers of Religion have a marked superiority in duration of Life; and the Directors of the ARK ASSURANCE SOCIETY OF SCOTLAND have had Special Tables computed by one of the most eminent Actuaries of the day for the Insurance of their Lives, on terms much lower than can be accorded to the Public at large.

Premium to Insure £100 at Death, with Profits.

30	£2 9 3	£2 2 0	30
35	2 16 4	2 8 2	35
40	3 5 8	2 15 10	40

One-third of the Premium may remain a debt on the Policy until death, at 5 per cent. Interest.

Half the Premium for the first five years may remain a permanent charge upon the Policy, at 5 per cent. Interest; or

The Half Premium Table may be adopted, by which the advantage of Half Credit is secured, without any debt being incurred.

Prospectuses, Forms of Application, and all other particulars may be obtained on application.

Applications for Agencies are invited from Gentlemen for Towns where the Society is not at present represented.

LIFE ASSOCIATION OF SCOTLAND.

FOUNDED 34 YEARS AGO.

CLAIMS and CASH BONUSES paid, £1,843,375.
 INCOME for 1871, 306,715.
 FUNDS on hand in 1871, 1,350,000.

BONUSES FROM PROFITS.

ASSURERS have the choice of two separate classes of Assurance,—distinctive mainly in the systems of allocating the Profits, and which in several respects are peculiar to the LIFE ASSOCIATION. Thus :

The Expense of Life Assurance is much diminished by the Bonus System in

CLASS A.

The Cash Bonuses are allocated *every year* to Policy-holders of five years' standing who have paid six years' premiums, and are applied in part payment of the next due premiums. The Bonuses thus virtually become

A Life Annuity to the Policy-holder.

The Outlay required for a Policy has thereby, after the sixth year's payment, been reduced to 25, 30, or 37½ per cent. less than the usual amount, according to the dates of the Policies.

This very Important Saving

to the Policy-holder in no way affects the Sum Assured, and he is thus enabled to take a considerably larger Assurance at first than he could otherwise adopt; or, if he continue eligible, he may afterwards, by means of the Cash Bonuses, effect Additional Assurances.

The Bonus in any year may, of course, be greater or less than formerly, or it may be of the same amount as in past years.

Until the time of participation in Profits, the Policy-holder need pay only three-fourths of the tabular premium; the unpaid portion, with interest, remaining a debt on the Policy so long as he pleases, and to be deducted from the Sum Assured at death, if not previously liquidated.

In CLASS B. the BONUSES are ADDITIONS to the Sums Assured, and available as a PROVISION FOR OLD AGE.

The System, it is believed, is peculiar to the LIFE ASSOCIATION OF SCOTLAND, and the results are such, that instead of being an Expense and Burden, the Assurance becomes a source of

Income to the Policy-holder

in the after-period of his life, the Sum Assured remaining untouched for payment at death to his representatives.

The PROFITS are allocated every five years in the form of Additions to the Sums Assured. Further, they are not frittered away in the usual comparatively small Bonuses to all the Assured, whether dying early or late, but are reserved for those who do not die before the average period. At each of the Divisions of Profits in 1865 and 1870, the Bonus declared for every year's premium paid on a Policy was £4 per £100, or £40 per £1000, and payable with the Sum Assured, in the event of the Policy-holder attaining the average period of persons of the same age. Further, the Bonuses may be exchanged at the average period of life for a Cash Payment or a Life Annuity to the Policy-holder himself,—the Sum Assured, as well as future Bonuses, remaining intact.

NON-FORFEITABLE PREMIUM SYSTEM,

(Which this Institution was the first to introduce into this Country).

By this plan the whole Sum Assured is payable at the death of the person named, whenever it may happen, but the premiums are payable only during 10, 15, 20, 25, or 30 years (as may be agreed on), if he live so long.

Further, should the Policy-holder discontinue the Assurance at any time after two payments, he will receive, in exchange, a Paid-up Policy for as many 10ths, 15ths, 20ths, 25ths, or 30ths of the original Policy as he has paid premiums. The great advantages of this system are obvious. By each payment (after the first), the Policy-holder secures *unfailingly and finally* a proportionate part of the Policy, whether or not he elect to go on with the remaining payments. He is thus *completely protected against loss of Premiums, if from omission, inability, or any other cause, he discontinue the payments for his Policy.* Such Policies are therefore unusually valuable; and when taken in Class B., in which there are no restrictions as to residence, they are virtually Absolute Bonds for the Sums Assured payable on death. This privilege, however, is not applicable to any Policy until the Paid-up Assurance, calculated as above, amount to not less than £25.

Prospectuses will be forwarded on application, also the ANNUAL REPORT, with REVENUE ACCOUNT, BALANCE SHEET, and Details of FUNDS, etc., as deposited with the Board of Trade.

THE SCOTTISH EQUITABLE LIFE ASSURANCE SOCIETY is an Institution peculiarly adapted for securing family provisions. It is a purely Mutual Assurance Society. The whole Profits belong to the Members, who are at the same time expressly exempted from personal responsibility. No part is, as in the case of a Proprietary Company, diverted from those who are assured, and paid away to Shareholders; and the additions which have already been made to Policies, afford the clearest evidence of the prosperity of the Institution, and the great advantages derived by its Members. The Profits are divided every *five years*, and are allocated not only on the sums originally assured, but also on the previously vested Bonus Additions. Intermediate Bonuses are also paid in the event of death occurring between periods of Division.

The total Additions made to Policies amount to £1,706,164.

The next Division of Profits takes place as at 1st March 1873.

Foreign Residence.—The Assured are allowed to travel or reside in any part of Europe without licence; and, on application, licence will be given, without payment of Extra Premium, to reside in Canada, the Northern States of North America, Australia (to the southward of 30° south latitude), New Zealand, and the Cape Colony. A small extra premium is charged for the risk of the voyage to the three last-mentioned places.

No Extra Charge is made for Military Service of any description within the United Kingdom.

Indisputable Policies.—Policies of Five Years' endurance, on which the ordinary Premiums, and any extra premiums exigible, shall be duly paid, are now free from challenge, except on the ground of fraud only: further, Policies of Five Years' standing may be de-

clared Indisputable on any ground whatever, except non-payment of the Ordinary Premiums, no extra Premiums being exigible, on satisfactory evidence that the Assured have no prospect of going beyond the limits of Europe.

Surrender of Policies.—A liberal allowance (*ascertained on fixed principles in all cases*) is given on the Surrender of Policies for the whole term of life, on which three years' Premiums have been paid.

Loans to Policy-holders are granted to an extent not exceeding the Surrender Value of their Policies, free of all expense, and without any other security than the deposit of the Policies. These Loans may be repaid at any time.

THE Directors have from the commencement adopted the plan of yearly ascertaining the value of the Society's Assets and Liabilities. The result has been furnished to the Members in detail, so that any person competent to judge of such matters has been able to comprehend readily the financial position of the Society. The invested Assets have been vouched for by those responsible for the correctness of their statements, and proofs of the various items have been furnished to the Auditors.

The Society's Profits belong exclusively to the Assured, and are divided every five years. At last Division, in 1868, a sum of nearly £30,000, less the usual reserve, was distributed among the Members.

The Society's Policies are virtually Indisputable. No Policy will be voided by unintentional misstatement in the proposal and declaration.

Undoubted Security is afforded by an accumulated Premium Fund in excess of the Society's requirements. Copies of the last Annual Report, Detailed Statement, and Prospectus may be had on application.

The leading objects of the Company are these:

- I. *To receive Money by way of Loan, Deposit, or otherwise, at fair Rates of Interest.*
- II. *To lend Money on the security of Land, Houses, or other Heritable or Leasehold Estate.*

I. SAVINGS AND DEPOSIT DEPARTMENT.

This Branch of the Company's Business affords a ready, safe, and profitable channel for the Investment of sums of Money of any amount, freed as far as possible from restrictions. Interest is at present allowed at 3 per cent. on CURRENT ACCOUNTS, which are operated upon by Cheque, as in the case of an ordinary Bank Account; and on DEPOSIT RECEIPTS for one, two, or three years, at $3\frac{1}{2}$, 4, and $4\frac{1}{4}$ per cent., payable half-yearly.

The Funds are invested solely on HERITABLE SECURITIES, in addition to which the Company's SUBSCRIBED CAPITAL furnishes a guarantee to Depositors.

II. LOAN DEPARTMENT.

The Company grants ADVANCES to parties requiring accommodation in connection with the Erection, Purchase, or Improvement of Dwelling-Houses or Shops, or the Purchase or Improvement of Landed Estates, or for the purpose of paying off Bonds thereon. These Advances are repayable by easy Instalments, consisting of Principal and Interest, extending over such term of years as may be arranged to suit the convenience of the Borrower; and the Balance may be paid off at any time. The Company also grants Permanent Loans.

The Company has abolished the charge of a Commission on Loans, and has also abandoned the right, usually reserved by Investment and Building Societies, of Assessing Borrowers in additional interest when the rate of interest charged by the Banks on Cash-Credit Accounts rises above 5 per cent. No Fines or Penal Interest on Arrears charged.

Prospectuses, Forms of Application for Loans, and all needful Information may be obtained at the Company's Office.

DEPOSITS AND DEBENTURES.

THE ASSOCIATION receives Money on DEPOSIT or DEBENTURE BOND, at Rates varying from 3 to 4½ per cent., according to the market value of money at the time. If preferred, a uniform Rate of Interest will be given on Deposits for fixed periods of from one to five years, on terms to be arranged. The Debenture Bonds will be granted for three, five, or seven years.

SAFETY OF DEPOSITS AND DEBENTURES.

The ASSOCIATION lends its Funds on HERITABLE PROPERTY *only*, and at rates corresponding to the market value of money. All the Loans are repayable by instalments, which adds greatly to their safety, any depreciation which might take place in the value of the security being more than met by the gradual diminution of the Loan. The risk arising from the Investments of the Company is thus small, and they are enabled to give comparatively high rates for Deposits. In addition to the fact that the Loans are all secured on Heritable Property *only*, Depositors have the *further guarantee of the Company's large Subscribed Capital*, which amounts to (of which £50,000 has been paid up) £250,000

and a RESERVE FUND of £16,500

LOANS.

Loans are granted on Security of Land, Houses, and every description of Heritable Property.

The Loans are repayable in periods of from four to sixteen years. If desired, *part only* may be made repayable by instalments—the remainder bearing interest, payable half-yearly.

Borrowers can pay off their Loans at any time, either in whole or in part; or the period of repayment can be altered to one more suitable.

LOANS.

THE Company makes advances upon Heritable Property in any part of Scotland, repayable either at a fixed date or by Instalments. No commission charged for negotiating the Loan, and no premium on its repayment. Arrangements have been made for Dividing a portion of the Profits among the Borrowers every Five Years, an advantage afforded by no other Company of the description. The Loans and the other arrangements with Borrowers will be made on the most Liberal Terms.

DEPOSITS.

The Company receives Money in Sums of £5 and upwards on Deposit, either at call or for fixed periods, at rates of Interest varying from 3 to 4½ per cent. Interest on Deposits at call is subject to the fluctuations of the money market, but it is generally 1 per cent. more than the rates allowed by the Banks.

DEBENTURES.

Debenture Bonds are granted by the Company, payable at the end of Three Years and upwards, bearing Interest at the rate of 4½ per cent.

Purchasers of Property, and parties desirous of safe Investments, should consult the Prospectus, which will be obtained gratis at the Office of the Company:

6 NORTH ST. ANDREW STREET.

PROPERTY INVESTMENT COMPANY OF SCOTLAND.

THE OPERATIONS OF THIS COMPANY EMBRACE THREE OBJECTS:

1. Receiving stated Contributions from Unadvanced Shareholders, which are accumulated at Compound Interest.
2. Making Advances to Shareholders to enable them to Purchase, Build, or Redeem Burdens on Dwelling Houses, Offices, Shops, etc.
3. Receiving Deposits from the General Public at a Liberal rate of Interest.

1. Accumulation of Savings.

A Share in the Company is constituted by a Fortnightly payment of One Shilling; and a Fortnightly payment of Four Shillings, i.e. for Four Shares, accumulating at 5 per cent. compound interest (the ordinary rate of profit), amounts in fourteen years to £100, of which £27, 4s. is interest.

No Fines are imposed for arrears in contribution, and Unadvanced Shares can at any time be withdrawn.

2. Advances for Property.

Advances are made to Shareholders for Purchasing or Building Houses, Shops, or Offices, or to Redeem Burdens on the same. An annual payment of £10, 2s. for 14 years extinguishes both Principal and Interest for every £100 advanced. Advances can at any time be redeemed.

A small Sum annually, in addition to rent, soon enables a Shareholder to become his own landlord.

3. Deposits.

A Liberal Interest is allowed on Deposits. Depositors incur no liability as Shareholders, and their claims for Principal and Interest are preferable debts on the Company. Deposits are repayable as arranged.

Security.

The Company cannot, by Act of Parliament, invest its Funds in other than Heritable Securities, and the extent of Advances in every instance is limited to the amount authorized by the Surveyor, which is always short of the market value of the property; and as the Advances immediately become repayable by instalments, the Company incur less risk than ordinary lenders on heritable bonds, to whom interest only is paid without reduction of the principal sum.

# REMOVALS CONTRACTED FOR BY ROAD AND RAIL.

---

**R**ICHARD WHYTOCK & CO.'S Travelling Furniture Waggons are specially constructed to save expense in Packing and Carriage, to prevent Damage in transit, and to expedite the Removal of Household Furnishings and other valuable articles.

Goods, when carefully placed in these Waggons, which are expressly adapted for Travelling both by Road and Rail, remain undisturbed until they reach their destination, and are then delivered in the same condition in which they were despatched (by simply unloading), thus obviating the risk, trouble, and expense arising from the use of separate packages and their irregular transmission.

R. W. & Co. would call particular attention to the comparative Lightness of construction of their Furniture Waggons, as effecting a considerable saving in the cost of carriage, which is usually chargeable by weight. One of these Waggons has been recently built to order, of more moderate dimensions and of less weight, for the conveyance of smaller household effects.

Experienced Packers travel in charge throughout each journey.

HOPE PARK END HOUSE, EDINBURGH,**

**R**ESPECTFULLY intimates that he executes every description of Asphalting, and is ready to furnish Estimates for the same, in Town or Country, on Moderate Terms.

ASPHALT FLOORING is highly recommended for Stables, Byres, Barns, Cattle Sheds, Granaries, Cottars' Houses, and all kinds of Farm Buildings, on account of its being the most effective preventative to the ascent and spread of Damp, its complete exclusion of Vermin, its neat and cleanly appearance, its durability and cheapness in comparison with other descriptions of flooring and pavement, and its healthy and disinfectant properties. While it effects a great saving, by the exclusion of rats and smaller vermin, owing to the close texture of the composition, without seam or joining, it keeps the Grain in a sweet state, from the entire absence of damp or moisture; and wherever the Asphalt Flooring has been used, it has fully realized all the benefits held out by its adoption.

"When the sun shines, be advised to carry an Umbrella; when it rains, do as you like."

"The value of a thing is best known by the want of it." This is especially true of an Umbrella.

AFFLICTED UMBRELLAS.

ILLUSTRIOUS WAYFARER,

Do you rejoice in the possession of an athletic Umbrella? Inasmuch as it is a provident investment, this is an important question. Or has the destroying hand of Time and usage reduced it to a condition of inutility and abandonment?—Is it dilapidated? Is it prostrate with a fractured rib, a dislocated neck, or a broken spine? Has any unexpounded calamity tended to debilitate its nerves, or paralyse its muscularia? Is it afflicted with a damaged crenated attachment, or a ruptured vericle convergentum? Has any visitation or paralysis arrested or destroyed the facile action of the motive power? Does there exist any manifestation of an abrasion, or inaccurate tension of the epidermis? Is the tippeous extension of the epidermis unimpaired in its attachment? Is the pedaneous extremity intact; or has prolonged attrition against terraceous substances reduced it to a state of stumpiferous deformity? Is the digitalial appendage without flaw or fracture? Is the occlude and expansive action uninterrupted? Is the octa-hegenous osseonsity insometrically angulated? Is its centrifugal rotundity deformed by depression, semicollapse, or protrusion? Is its polyhedral conformation correct? and its circumambient proportions adequate for personal conservation? Is it loaned, lost, levanted, misappropriated, or used up? Are its mineralogical, vegetable, and animal elements, still in combination? Or is it "ALL OVER WITH IT?"

Impassioned reader! if you are mentally embarrassed in the labyrinth of these inquiries; if your technical knowledge fails to recognise their logical applicability; suffice it, that for any contingency, ample provision is made at the far-famed

BANKERS.

THE BANK OF SCOTLAND.

THE "SCOTTISH TRADE PROTECTION SOCIETY" is an Incorporation composed of Bankers, Merchants, and Traders, associated for the purposes of affording mutual protection, and preventing loss in business transactions, by obtaining reliable information as to the circumstances of parties who may propose to deal with them, by exposing fraudulent dealers, by recovering Debts with the least possible delay and expense, by investigating the circumstances connected with Bankruptcies, and private settlements of Debtors, and by using its influence to aid the amendment of the Laws affecting Trade and Commerce.

Since its formation in 1852, the "SCOTTISH TRADE PROTECTION SOCIETY" has been of much service, not only to its Members, but also to the Mercantile Community at large. Having numerous Correspondents in various parts of the World, its officers are enabled to give immediate information as to the movements of Swindlers, who are traced by them from place to place, under whatever disguise or *alias* they may assume.

As no individual Member has any personal interest in the Funds of the Society, these are wholly applied in furthering its objects, thus giving to Subscribers perfect security and greater advantage than can possibly be afforded by establishments carried on solely by private parties.

INFORMATION.

By co-operation with the principal Trade Protection Societies at home and abroad, and through its own private Correspondents in Great Britain and Ireland, the Society seeks to ascertain the standing and respectability of persons proposing to deal with Members, to enquire into business transactions where the circumstances are doubtful, and to remove groundless suspicion.

Four Postage Stamps must be sent with each inquiry out of Edinburgh.

Members are supplied with a Confidential Circular monthly. They may also obtain weekly or monthly Lists from the Publishers, at a reduced charge.

These Lists contain, so far as regards—

SCOTLAND.

Extracts from Register of Protested Bills, arranged under each County.
Decrees in Absence.—Sequestrations.
Trustees and Commissioners appointed.
Bankrupts to be examined, and other general Bankruptcy information.

ENGLAND AND IRELAND.

Bankruptcies.
Dividends payable under Bankruptcies.
Chancery Notices for Creditors to lodge Claims.
Bills of Sale, and Judgments. &c., &c., &c.

With Leading Articles on Mercantile Law.

The "*Monthly Report*" contains a *vidimus* of the transactions of the Society for the month, particulars of mercantile frauds, or attempted frauds, with names, autographs, and photographs of the perpetrators.

The Books of the Society kept at the Head Office contain most valuable information, which, for obvious reasons, cannot be published; and it is of importance to bear in mind that the information thus afforded is always greatly in advance of that contained in any published document, because Debtors frequently retire their Bills and leave heavy open Accounts outstanding. These Accounts being handed to the Society for collection, their Books exhibit the true circumstances of debtors long before any apparent evidence of embarrassment is made public.

DEPARTMENT FOR THE RECOVERY OF DEBT.

I.—CLAIMS NOT PROSECUTED.

Between November 1852 and 31st December 1871, £158,927, 15s. 8d. was collected by applications, and paid to Members free of law charges.

The terms on which this Department is conducted are the following:—

Each Member may, for the year's subscription, have *six* claims applied for by the Society's Officers, and the amount of any of these claims recovered will be paid over within a week without any deduction for commission. If, during the year, a Member send to the Society for collection more than six claims, these will also be applied for in the usual manner, the result communicated to the Member, and any sums recovered paid over to him, under deduction of the following commission:—

On Claims not exceeding £1, 7½ per cent; above £1 and not exceeding £5, 5 per cent; above £5 and not exceeding £10, 4 per cent; above £10 and not exceeding £30, 2½ per cent; above £30 and not exceeding £50, 2 per cent; above £50, 1 per cent.

The above commissions will be charged on all claims beyond six in number, as above explained, whether settled with the Society, or with the Members after application for payment by the Society.

Members, or Trustees on Bankrupt Estates, having numerous claims or debts of large amount for collection, may enter into special contracts with the Society.

To cover outlay, four postage stamps must be sent with each claim.

In the absence of special instructions, the Society's ordinary course of procedure is to make application requiring payment of the debt, within four days; if not settled, to make a second application, and allow other four days; on the expiry of that period, the result of the application is intimated to the Member, and no further proceedings will be adopted without instructions. Members may, however, give any directions they please with regard to the time to be allowed, or they may order legal proceedings to be at once adopted without intimation to the debtor. It is a condition that the Society undertakes no responsibility in regard to the recovery of debts, beyond being liable for the amount paid to them by the debtor.

All sums recovered are paid over on the first Wednesday after receipt, on being applied for; or on any following Wednesday. If not applied for, Cheques will be sent.

2.—PROSECUTED CASES.

CLAIMS NOT EXCEEDING £12 IN AMOUNT.

If the claim is not arranged on the application of the Society, proceedings may be adopted in the *Small Debt Courts* on instructions being received from the Member to that effect, when the claim will be transferred to agents with whom the Society have entered into arrangements to take charge of and prosecute to their final issue all claims under £12.

To meet outlay, a deposit of 4s. 6d. is required to be made when instructions are given to prosecute.

Charges in Prosecuted Cases.—Claims in the County of Edinburgh not exceeding £5 in amount, $7\frac{1}{2}$ per cent. on the amount recovered. Above £5 and not exceeding £12, 5 per cent. on the amount recovered. Claims out of Edinburgh, $7\frac{1}{2}$ per cent. on the amount recovered; if not recovered, 5 per cent. on the amount sued for, but in no case to be less than 5s. These charges in all cases are exclusive of outlay.

The Agents, not the Society, are directly responsible to Members employing them to prosecute Claims, but, for the convenience of Members, the sums recovered will be paid through the Society.

PROCEEDINGS IN THE SHERIFF, DEBTS RECOVERY, AND COUNTY COURTS.

When the Agents are instructed to adopt proceedings for the recovery of debt, the Member employing them becomes their private client.

The Society's Commission is $2\frac{1}{2}$ per cent. on the amount recovered, but no Commission to exceed £1, 1s.

The Society has Law Agents in all the principal towns in Scotland, who will transact any business intrusted to them.

TRAVELLERS' CERTIFICATES.

Certificates, price 2s. 6d. each, which enable Commercial Travellers to call upon the Society's Agents throughout the country, are granted on application to the Manager. These have been found exceedingly useful by many Members of the Society.

SUBSCRIPTION.

The Annual Subscription to the Society, including the Weekly Lists, is	£1 11 6
Do. do. do. Monthly Lists,	1 6 0
Do. do. do. Confidential Circular,	1 1 0

When Weekly Lists are posted 2s. 2d. extra is charged. The Subscriptions run from the first days of January, April, July, and October—each Member's Subscription being payable as from the Quarter-day immediately preceding that on which he was enrolled.

Copies of the Rules, &c., may be procured on application to the Secretary, or any of the Local Agents.

Many important Books of Reference can be seen at the Office.

INCORPORATION.

The Society being incorporated under the Companies' Acts 1862 and 1867 the liability of each Member is limited to £1, 1s.

THE WAVERLEY HYDROPATHIC ESTABLISHMENT

Has been constructed with special reference to the requirements of Delicate Patients in winter, supplying them with a substitute for a Continental residence. A summer-heat temperature is maintained in all parts of the premises by means of Clark's Heating Apparatus and three Turkish Baths. Extensive provision has been made for Indoor Exercise and Amusement, in large Hall, Billiard Room, specious Dining and Drawing Rooms, and long Corridors, well lighted and warmed.

The WAVERLEY was Opened for Visitors and Residents in July 1871. For a description of the House, and its local surroundings, see quotations from a few of the Newspaper reports at that time:—

From the SCOTSMAN.

The Waverley Hydropathic Institution, on Skirmish Hill, a mile west from Melrose, and about a mile and a half from Abbotsford. A better site for such an establishment could not have been secured, whether the associations of the district, the beauty of the scenery or the healthiness of the place are considered. It commands a fine view of the course of the Tweed for

three miles east from Melrose, as far as Leaderfoot Viaduct, the view being closed by the hills of Bemersyde in the distance. The Eildons lie to the south and west, and on the remaining sides the landscape is bounded by the hills enclosing the valleys of the Tweed and Gala. The Skirmish Hill is a plateau of high ground in the centre of a large basin, surrounded nearly on all sides by a circle of moderately high hills, near enough to moderate the force of air currents. The house forms a square of about 140 feet on the side, with a court in the centre. The front elevation to the south is in the old English style, with projections, and relieved by a central tower 75 feet high. The public and private rooms, numbering about 130, are elegant, commodious, and comfortable; and the drawing and dining rooms are fitted up with much taste. The baths are on the most approved principle, and there is provision made for an abundant supply of water. There is ready communication with all parts of the house by telegraph on Grenet's system. Outside, the recreation grounds are most ample, extending to 38 acres, and give access to over three-quarters of a mile of the river Tweed. For amusement, there are croquet and bowling grounds; and attached are coach-houses and stabling, for accommodation of visitors.

From the KELSO CHRONICLE.

VISITORS to Melrose, and travellers by the North British Railway, must have noticed the gradual growth of a stately edifice about a mile to the north of Melrose. This is the Waverley Hydropathic Establishment, a noble and stately building, which is destined, we trust, to form a sanatorium for the south of Scotland, as well as to many from remote parts of the country. The situation is exceedingly suitable for such an institution. It is dry and airy, but well sheltered from the prevailing westerly winds. It commands a splendid view to the south and east, including the romantic three-peaked Eildon Hills, and some beautiful stretches of the river Tweed, the valley of which lies open as far as Leaderfoot, and the view is bounded by the heights of Bemersyde. The site of the building is the well-known Skirmish Hill, where was fought one of the last Border frays of the district.

From the BORDER ADVERTISER.

WAVERLEY Hydropathic Establishment is situated about one mile west of Melrose, and one and a-half east from Abbotsford, on a plateau which gives the building a commanding view of one of the loveliest portions of Tweeddale, while the adjacent hills shelter it from storms, without approaching too near to confine it. The heights of Eildon, and the lower ones falling into the Rhymer's Glen—one of Sir Walter Scott's most favourite walks—bound the view to the south; eastward the view lies over the Tweed, with Melrose in the foreground—richly cultured and well-wooded grounds on the level, orchards and wooded slopes running more than half way up the hills, with Bemersyde hill forming the sky-line four miles distant. This includes one portion of the Tweed which Scott never passed without directing his carriage to be stopped, that he might look down upon the beautiful bend on which Old Melrose stands. These four miles of district are crammed with historic and literary associations, and the Roman footstep is deeply stamped upon it. Looking up the vale of Tweed, towards the west, the eye runs along the wooded heights of Abbotsford, which was the Magician's transformation out of heathy moorland. Every outline suggests the working of that marvellous mind which beautified all it touched—whether the rugged borderer of the olden times, or these hills on which he laboured so long and so lovingly. On the other side of the valley are the Pavilion and Langlee estates, separated by Allyne Water, Fairy Dean, the locale of "The Monastery."

From the SOUTHERN REPORTER.

THE Waverley Hydropathic Establishment, Skirmish Hill. Possibly a better site for such an institution could not have been secured in Scotland—whether the beauty of the scenery, the historical and classic associations of the district, or the salubrity of the climate are considered. To the east lies the town of Melrose, and the long stretch of the Tweed winds through the valley until it is lost in the distance. Leaderfoot viaduct, with its nineteen arches, rising to a height of 130 feet above the river, and Bemersyde Hills close up the view to the east; the Eildons lie to the south; and round towards the west are the hills around and above Abbotsford, while to the west and north-west the hills of Tweeddale and Gala water bound the horizon. The entire district teems with objects of natural beauty, while every spot on which the eye rests is associated with some incident of historic or classic interest—the ecclesiasticism and chivalry of the past, and the interest conferred by Scott in the present. Tweed glides past so near that one listens to catch the murmur of the waters, but here the spirit of the river seems to be at rest, or listening, like yourself, for the chants from the old Abbey, and so hushes its voice until it is broken by the rush of the waters over Melrose cauld. The salubrity of the district is well known, and the site of the institution is happily chosen. The situation is open and airy, at a sufficient distance from the hills to command the full sweep of the sun, and near enough to have the protection of the hills from the wintry blasts.
